On Friday, 11 February, the WCC Phi Beta Lambda (PBL) chapter visited the Countryside Assisted Living Home in Pikeville.

Members LaRose Brock, Sara Joyner, Ginger DeVore, Henri Andrews and Michelle Weatherspoon brought valentine gift bags for residents at the home.

In the lounge, residents were warmly greeted with assorted treats, smiles and sincere affection.

PBL members personally delivered the assorted treats to residents unable to meet the group in the lounge.

Other activities this semester included a Valentine bake sale and raffle in the WCC Learning Center.

The primary goal of the fund raiser was to raise money for a contribution to the March of Dimes as well as raising money to assist PBL members to attend the PBL State Leadership Conference in April in Charlotte.

Items for sale included homemade cupcakes, cookies, truffles and cake. Prizes raffled off in the afternoon included gift certificates for local area restaurants.

The event realized a profit of \$810, marking the most ever garnered from a single fund raiser by the group.

At the 46th annual PBL State Leadership Conference held in Charlotte, NC, on April 9, 10, the following students placed in 5 categories: Melanie Messam, 4th place, and Elizabeth Wilson, 7th place, Word Processing; Daine Kelley, 3rd place, Accounting for Professionals and 4th place for Finance; Henri Andrews, 8th place, Computer Concepts; Richard Judge, 6th place, Management.

Ginger DeVore, WCC PBL Chapter president, was inducted into Who's Who in North Carolina Phi Beta Lambda.

The WCC Chapter received an award from the National PBL for increasing chapter size.
