## Ambassadors raise money for student scholarships

By LESLIE LANE

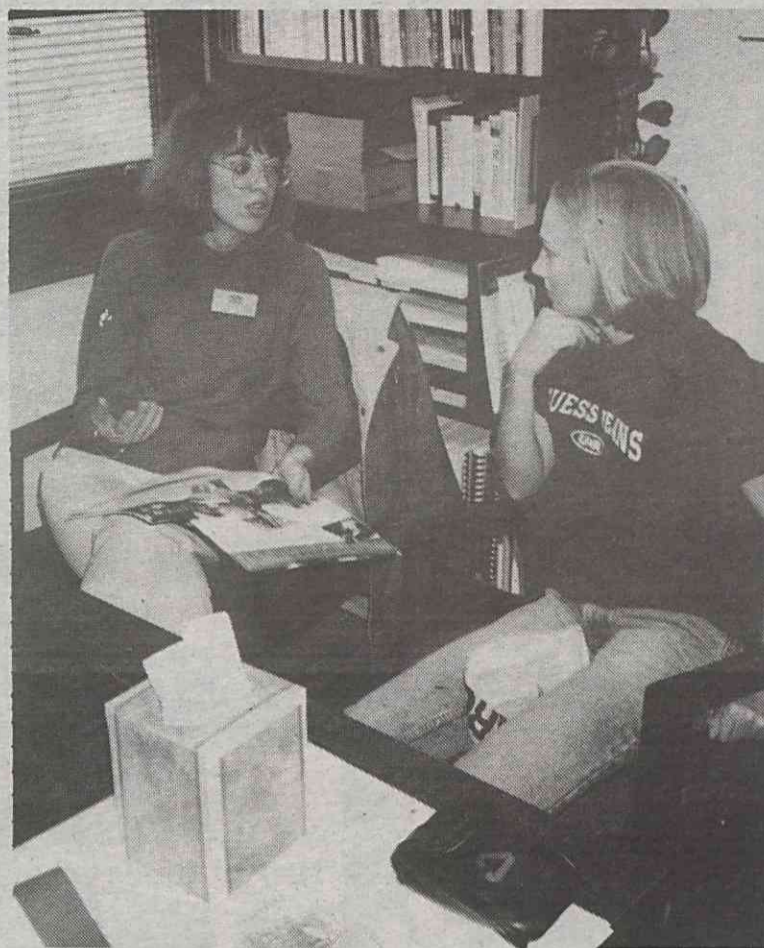

The Wayne Ambassadors sponsored a pizza-soda sale on Friday, April 7. According to Carl Brow, counselor and adviser to the group, the money raised from this event will go toward scholarship funds for the fall semester.

To become an ambassador, students must go through an application process. Brow said that being accepted is based on important factors such as the GPA, references, and an interview.

Present Ambassadors include Sara Beth Grey, Lucy Himes, Robert Gibson, Leigh Anne Quinn, and Ginger DeVore.

The Wayne Ambassadors serve an important role at WCC and in the community. They facilitate events at WCC and contribute to the goodwill of the community, Brow said.

Benefits of being an ambassador include "building comfort levels in formal social situations, providing an outlet for servicing the community, building resumes, and free tuition," according to Brow.
