

"Voice" dedicated to Annie Applewhite

The Voice recognizes the contributions to campus life that Annie Applewhite made during her all-too-brief time with us.

She gave much to her classmates, her club, her instructors, and her family.

In Memorium

Phi Beta Lambda and Wayne Community College lost a very special student on February 12, 2001, when Annie D. Applewhite died.

Annie was a member of Phi Beta Lambda for three years, serving on several committees and as chapter secretary in 2001.

She was a dedicated, hard-working student whom we could always depend upon. She always had a smile and a kind word for all, loving to joke and have fun with people. She will be missed very much at WCC.

To her family--three sons, one daughter, her mother Pauline, and other siblings--we send condolences.
