Fall intramurals termed huge success

By DUSTIN SHIVAR

The Student Government Association of Wayne Community College held an awards banquet in Moffatt Auditorium on Tuesday, October 31, to honor the winners of its annual intramural sports leagues.

This semester's intramural sports consisted of ping-pong, pool, and flag football.

The intramural football league consisted of 4 teams, each consisting of 10 players--8 active and 2 reserves.

Each game ran for 40 minutes with a 3-minute rest break between each 10-minute quarter.

Team members chose their own team names: the Redskins, Headhunters, Ravens, Buccaneers, and It Don't Matter.

Assistants at the flag football games included Steven Hannum and Eric Anderson, line officials; and Kristin Cottle, timekeeper.

Wayne Parson, Director of Student Activities, said the idea of an intramural league had been in mind for some time; students urged its start this fall.

Shawn brought a costume for his "air guitar" performance at the Starflix event.
