VOL. 1, NO. 4

Wilkesboro, North Carolina

NOV. 13, 1967

## First Cheerleading Squad Chosen

WCC cheerleaders for the 1967-68 basketball season were chosen Thursday, October 26, 1967 in Woodlawn gym. The cheerleaders were chosen by a committee consisting of four faculty members: Mr. Mayes, Mrs. Bassett, sponsor, Mrs. Moore, and Mr. Whittington. The girls were rated on appearance, poise, movement, ability, pep, attitude, and voice. Each girl did a cheer and answered a question asked by the committee. The following girls were chosen: Gayle Hayes, chief, Betty Hayes, co-chief, Judy Wilson, Jackie Priester, Shirley Steelman, Marie Wingler, and Claudia Dancy. They urge the student body to attend as many games as possible and support the cheerleaders and basketball team. Enthusiasm and school spirit will get the Cougars off to a winning season.

The new student center will be the same on the outside, but the inside has drastically changed! If you don't believe us, just go inside and take a look!

## Student Center Established

The students at WCC have been asking for a student center. With the help of the faculty and the student government association we have been able to carry out their request.

The possibility of the student center was brought before the student government and steps were taken to investigate possible locations for the center. One of the possibilities was a large two-story house located directly behind the administration building. The student government thought this house would meet the needs of the students being that it was well located and offered adequate space for the student's social life and study. The owner of the house, Mr. Paul Orsborne, was contacted by members of the student government. Mr. Orsborne agreed to rent the house to the college and to do necessary repair work.

The student government agreed on this location and took the final step of taking the proposal to

Dr. Thompson. After final approval was given by him, the student government went immediately to work. Companies were contacted for drink, sandwich, candy, pastry, and cigarette machines plus a juke box all to be located in the center. The food machines will be set up in one room and the juke box will be in a separate room with space for dancing. Other rooms will be set aside for study and relaxation.

The student government association had a "Wipe and Paint Party" Friday and Saturday, November 3 and 4. Class assemblies were called for the purpose of organizing committees to work at this worthwhile and needy social event. Inside and outside clean-up committees were organized plus a paint committee to repaint the inside of the house.

We have the building. Now it is up to you, the full and part-time students of Wilkes Community College to make it what you wish. The Center is yours, use it!
