WCC '68 Summer School

Wilkes Community College operates under the "Open Door" admission policy. The College staff assists each student in making a choice regarding the most appropriate curriculum for that student.

The cost for the summer term is \$32.00 or \$2.50 per quarter hour for students taking less than 14 hours in the Vocational and Technical programs. In the C.T. program the cost is \$42.00 or \$3.00 per quarter hour for students taking less than 1.4 quarter hours.

The Student Personnel Office maintains a list of housing for students who find it necessary

or desirable to reside in the area of the College while attending school. This is a list of local residents who will rent rooms or apartments to students of WCC. Financial arrangements for rooms and apartments are on an individual basis between students and landowner.

Students who are interested in applying for admission to WCC should contact the Student Personnel Office before June 14, 1968.
