motive training instructor in the U. S. Army. In addition to this automotive background, Mr. Martin attended a number of automotive training schools and has completed more than one-half the requirements for a Technical Degree at Wilkes Community College.

Under very adverse circumstances, Mr. Martin has done an outstanding job with the automotive program at Wilkes Community College during its formative period.

Following a training period in Charlotte, Mr. Martin will move his family to Columbia, South Carolina where he has been assigned as Area Service Manager. His friends in the Wilkesboros, the staff, and his students are grateful to Mr. Martin for his contribution to the college and wish for him, and his family, the very best in his new work.

Announcement

If you have not turned in your pictures or picture money to the Business Office, you should do so as quickly as possible!!!! Anyone who fails to do so will not be permitted to register for another quarter.

Cougars Win In Double Overtime

The courageous Cougars of WCC, led by Tommy Guy with 23 points and 20 rebounds, captured their seventh victory by beating Surry Community College by a score of 88-79.

The first half of the game saw the coldest shooting by WCC this year. The Cougars managed to get off 22 shots, but only connected with 8, for a disheartening 36%. This was caused by a tight Surry man-to-man defense.

The Cougars never led in the first half. With 16:00 to go, they fell back, 5-7. In six minutes the Cougars were behind 8-15 and couldn't close the gap until three minutes to go in the half. They caught the tough Surry team off guard and closed the gap to four points. But Surry got hot again and left the court with a nine point, 24-33, spread.

A defensive switch in the second half got the WCC team rolling and within four minutes, the Cougars closed the gap to five points. The Cougars, took the lead with 12:42 to go and kept it until 7:54 to go when SCC tied

it 49-49. The Cougars managed to keep up with the Surry team and was sure they had the game sewed up with the score 61-59 with 25 seconds to go. But Surry scored and WCC brought the ball down the court. George Howard was fouled with two seconds to go. The game was all over with, we thought! George had a one-and-one situation, but missed the first shot. The ballgame was thereby carried into its first overtime.

The tap went to Surry. They brought the ball down the court and scored. The Cougars traded baskets with them until 32 seconds were left - a tie score at 67-67 showed on the scoreboard! Ronnie Triplette came up to the line with a bonus situation but missed his first shot. Surry got the ball and missed, Howard grabbed the rebound, ran to the top of the key for a lay up, missed, but the ball was tapped in by Charles Lawson with six seconds left. Again the game seemed to be over, but a Surry man scored with only one second to go and the game was car-

Humanites 211 Plans Trip

The sophomore section of the Humanities Block is planning a trip to the National Gallery of Art in Washington, D. C.

The group will be leaving on Thursday, February 21, and returning on the following Sunday. Accommodations in a downtown hotel are being secured so that places of interest will be readily available to the students. The group will be accompanied by the Humanities instructors.

This trip is planned in connection with the Art appreciation course in this block.

ried into another overtime period.

The Cougars controlled the ball on the tap and took 27 seconds to score. The Surry team tied the score with 4:15 to go. Charles Lawson then got hot and pumped in twelve straight points. The Cougars led 83-76 with 0:54 to go and the game was out of reach for the scrappy Surry team. Ronnie Triplette pumped in a foul shot. Howard hit two foul shots and the Cougars led 86-78. With 0:08 to go, Howard fouled out and Surry scored one point on the foul. Red Lawson drove for a layup with one second to go, to give the Cougars a fine and well earned 88-79 victory.

Although the Cougars hit only 36% of their field goals in the first half, they made up for it in the second half by hitting 57% and hitting 50% and 80% in the first and second overtimes respectively.

Charles Lawson led the Cougars offensively with 27 points and five rebounds. But the outstanding defensive player was Tommy Guy grabbing a total of 20 rebounds and scoring 23 points.

George Howard, although having a bad night at the foul line, scored 15 points and pulled down three rebounds. Tony Hayes helped the cause by scoring nine points and grabbing 10 rebounds. Lester Holcomb, having an off-night, scored only two points and got two rebounds before fouling out. Ronnie Triplette and Stan Elkins scored six and two points respectively with Ronnie pulling down three rebounds.

We would like to extend our congratulations to the Cougar team who have posted an impressive 7-4 record. Keep up the good work men!

Facts are very often stubborn things and well concealed.
