

Wilkes Falls To Isothermal

A bad second half dropped the Cougars behind Isothermal 62-46 in a conference game played at the Wilkes YMCA.

In playing good team ball and sporting a good shooting percentage, the Cougars went to the dressing room at the half with the game tied at 27 all.

The second half left the Cougars holding an empty bag.

Isothermal came out with a hot hand and the Cougars came out cold as Wilkes just couldn't find the range and soon fell behind by 12 points.

After a few minutes of play, the tempo changed and the Cougars cut the lead to three, but the return of the cold hand left

them short by 16 points at the sound of the final gun.

Frank Sanders left the scoring with 16 points for the Cougars, followed by Kent Lawson with 12.

It was the worst night of the season for Charles Lawson and Tony Hayes as they fell way below their season's average in scoring with only 11 and 7 points respectively.

Score by Halfs

WCC	27	19	46
ICC	27	25	62

WCC-C. Lawson 11, Hayes 7, Sanders 16, Elkins, K. Lawson 12.
