

EDITOR'S NOTE:

Wilkes Community College Open House On October 4

Wilkes Community College will hold "OPEN HOUSE" on Sunday afternoon, October 4 from 2:00 to 6:00 p.m. This "Open House" is being held so the public may take a close look at their COMMUNITY COLLEGE.

Wilkes Community College operates under the "open door" policy for high school graduates or high school equivalency certificate holders and others who are 18 years of age or older. Therefore, the major purposes are:

1. To provide two years of academic college credit courses for those students who desire to transfer to four-year or senior colleges or universities, and for those students for whom two years of general college studies will satisfy their educational needs.

2. To provide a variety of two-year programs in technical studies the successful completion of which will afford the student the greatest opportunity to enter an occupation.

3. To provide a variety of one-year vocational trade programs, these could be three or four quarters in length, for those who desire to prepare themselves for entrance into new trades.

4. To provide a variety of programs and courses for those who desire to improve their competencies in their present occupations.

5. To provide a variety of programs and courses for those adults who desire personal fulfillment through continuing education.

6. To provide opportunities for those who desire to earn a high school diploma or equivalency certificate.

7. To meet for industry pre-service and in-service manpower training needs, more than the public schools are providing.

Dr. Howard E. Thompson, President, cordially invites you, your friends and neighbors to visit Wilkes Community College on Sunday afternoon, October 4, between 2:00 and 6:00 p.m.

Students Receive Awards

By SANDRA RUSSELL

Mrs. Jean Tugman and Mr. Ira Gambill have been notified by the Victor Educational Services Institute of Chicago of awards received by their students who took certificate tests in the Spring Quarter of 1970. Recognition was given to students who demonstrated ability exceeding a national average in use of office machines.

Some of the students received as many as three Certificate of Proficiency. These students were: Linda Colvard, Tony Ray Fox, Gay Huffman, Barbara Bledsoe, Nancy Jane Elledge, and Anna Lee Harris.

Awarded two certificates were: Rick Atwood, Dennis Anderson, Eyda Bennett, Wanda Barlow, Bill Childress, Kathy Key, George Latham, Jackie Riley, David Shore, Judy Welborn, Don Brown, Shirley Ann Clore, Maurice Craven, Billy Ray Faw, and Sandra Russell.

Certificates were also earned by the following: Joyce Elizabeth Thomas, Vicki Lynn Kanupp, Julia Hayes, Jackie Johnson, Shirley Ann Wyrick, Marcella Trivette, Roger Dale Pilkenton, Jerry Garris, Wanda McGlamery,

Rosann Prevette, Jerry Sloan, David Johnston, Barbara Lewis, Karen McClure, Jayne Prevette, Deanie Riddle, Lanny Reavis, Margaret Sheets, Dona Triplett, Ronald Calloway, and Sherry Roberts.

For their outstanding skill in the use of the Printing Calculator, Eyda Bennett, Don Brown, and Barbara Bledsoe earned portfolios. In addition, Barbara was given a gold pen for unusual competency with the Ten Key Adding Machine.

Participants Enthusiastic Over Operation Main Stream

Because of a program called Operation Mainstream, adults are learning the thrill of being able, for the first time, to endorse their own checks, to handle their money intelligently in the grocery store, and to read their Bibles.

Under the direction of Mrs. Catherine Larson, WCC Coordinator of Community Services, down-to-earth assistance is provided for adults who have found it difficult, because of serious lack of education, to hold steady jobs.

Six hours of classroom instruction each week is provided by Mrs. Elizabeth Kelso, with

funds made available by the Department of Labor.

The American Bible Society has given Wilkes Community College 50 copies of the New Testament, Psalms, and Proverbs, in large print, for the students in the Mainstream Program.

Reporter Arlene Edwards, describing the unique studies in a recent WINSTON-SALEM JOURNAL article stated: "The reading books have stories about buying cars and going to the hospital instead of the juvenile escapades of Dick and Jane. The arithmetic books have pictures of
