

# SGA Questionnaire Responses

During the last week of May, a student questionnaire was distributed by the Student Government Association. The purpose of this questionnaire was to find out what the students were interested in and to help the 1976-1977 SGA plan suitable activities for WCC students.

The following are the statistics from the questionnaire:

There were 312 responses.  
 male 195 (63%)  
 female-117 (37%)  
 day students 126 (40%)  
 night students 143 (46%)  
 day/night students 43 (14%)

 other 40 (18%)

Should the Spring Festival

become an annual affair?  
 Yes 290 (93%)  
 No 22 (7%)

Most of the suggestions centered around improving the Commons with music, such as getting a juke box. The SGA is in the process of getting bids for a juke box for next year.

The ping pong table is a controversial issue. Many of the night students want to get rid of the existing table. Day students, however, want another table. WCC had two ping pong tables at the beginning of the year. The SGA would have to pay for another ping pong table if enough students feel another one is needed.

The scheduling of classes was another item brought up. Many feel it is bad to start school late in the fall quarter because it ends late in the spring and many students cannot find jobs. The Board of Trustees makes decisions on scheduling matters but there is a good possibility that classes will start later in the morning next fall quarter.

There were a few complaints

that the SGA did not have enough dances. There were questions about where all the money from the activity fee went. The last SGA decided on the following percentages from the activity fee: 55% for the yearbook; 30% for the SGA, 15% for the newspaper. This is after the Athletic Department takes out \$3 per quarter from the activity fee. Proposals not to put out a yearbook next year as an experiment, to put out a better newspaper on a more frequent basis, and have the SGA put on more activities are being studied for recommendation to the Board of Trustees.

The SGA would like to thank the students that took time to fill out the questionnaires and respond with many helpful comments and suggestions. The SGA will try very hard to meet the needs of the students to make Wilkes Community College a better place for everyone.

Bill Wall, President, SGA

## WCC Represented at NCCCCSGA Meeting

The North Carolina Comprehensive Community College Student Government Association (NCCCCSGA) held a workshop on leadership skills for all SGA Presidents in Raleigh, June 5, at the Department of Community Colleges. Bill Wall, President of the WCC SGA, attended this workshop.

Cam Abernathy, NCCCCSGA President, welcomed the delegates from twelve other community colleges and discussed the pro-

blems of apathy and indifference in the community colleges.

Barry Adams, intern for student government counseling, discussed the issues of organizational development and examined concepts of team building, decision-making processes, delegation of responsibility, and effective communication patterns.

A monthly NEWSLETTER program was set up to inform all the community colleges of the activities the SGA has been involved with.

## SGA Sponsors Dance

On June 2 the SGA and the Circle K Club of WCC sponsored a semi-formal dance at the National Guard Armory.

The featured band was **Rhythm Method** from Winston-Salem (No, it was not a Catholic group).

Approximately 200 people were at the dance, which also held a limbo contest. The winner was Robin Dixon.

The dance raised money for the Circle K Club which is planning a trip to Washington, D.C. for the twenty-first annual Circle K International Convention. The convention will convene August 15-18.

Special thanks to Richard "Deputy Dawg" Jones who provided security for the dance.

## WCC Summer Registration

A new registration system has been started at WCC for the summer quarter. Block courses are being offered as well as regular course offerings.

A block course is held every day of the week to speed up the time of completion of a credit course. The first block is from July 6 through July 28; the second block is from July 29 through August 23; the third block is from August 24 through September 17.

The Student Services Office is opened now to all students prepared to pay their tuition and fees, to make up a schedule for

the 1976 Summer Quarter, pick up class cards, and complete the registration process. The student will be free of the registration line until he reports for his first class.

The days and hours of registration for this service are:

Tuesday — June 8 — 8 a.m. to 9 p.m.

Wednesday — June 9 — 8 a.m. to 9 p.m.

Thursday — June 10 — 8 a.m. to 5 p.m.

All students who do not register early will be able to register on the regular registration date scheduled for July 1 and July 2.

## Neal - Mizell Debate Called Off

Last month an invitation was sent out to Representative Steve Neal and Wilmer Mizell to debate the issues at Wilkes Community College in September. On May 24 Representative Neal accepted the invitation; on May 26 Congressman Mizell declined the invitation.

Neal is the 5th District representative and a Democrat seeking a second term. Mizell is a former congressman seeking to regain the 5th District congressional seat. He is a Republican.

Representative Neal replied in a letter to John Cashion, Ombudsman to the President: "I am very pleased to accept the invitation and look forward to being with you. I would appreciate hearing

from you as soon as possible regarding date and time."

The Wilmer Mizell for Congress Committee spokesman replied: "Our committee is exploring all possibilities of the vital issues of this campaign and certainly your generous offer will be part of these possibilities. However,...a debate at this time would be premature in that Mr. Neal has a Primary for the Democrat Nomination for Fifth District Congressman."

## Register Now For Physical Ed. Classes

Registration is now in process for tennis, golf, and physical fitness classes for the summer quarter at WCC. Classes will be held at East, North and West High Schools, Fairplains Elementary School and on the college campus.

Those interested in taking any of these courses must register at the Office of Continuing Education at WCC on or before July 2. There will be no registration taken at the classes.

No matter how rich one's relatives are, each must do his own succeeding.
