

Do You Remember?

On May 7, 1976, Wilkes Community College held the first annual SPRING FESTIVAL, which was sponsored by the Student Government Association. Here are a few memories from that event....

Brenda Moore and "Cavern" won the pet rock beauty contest.

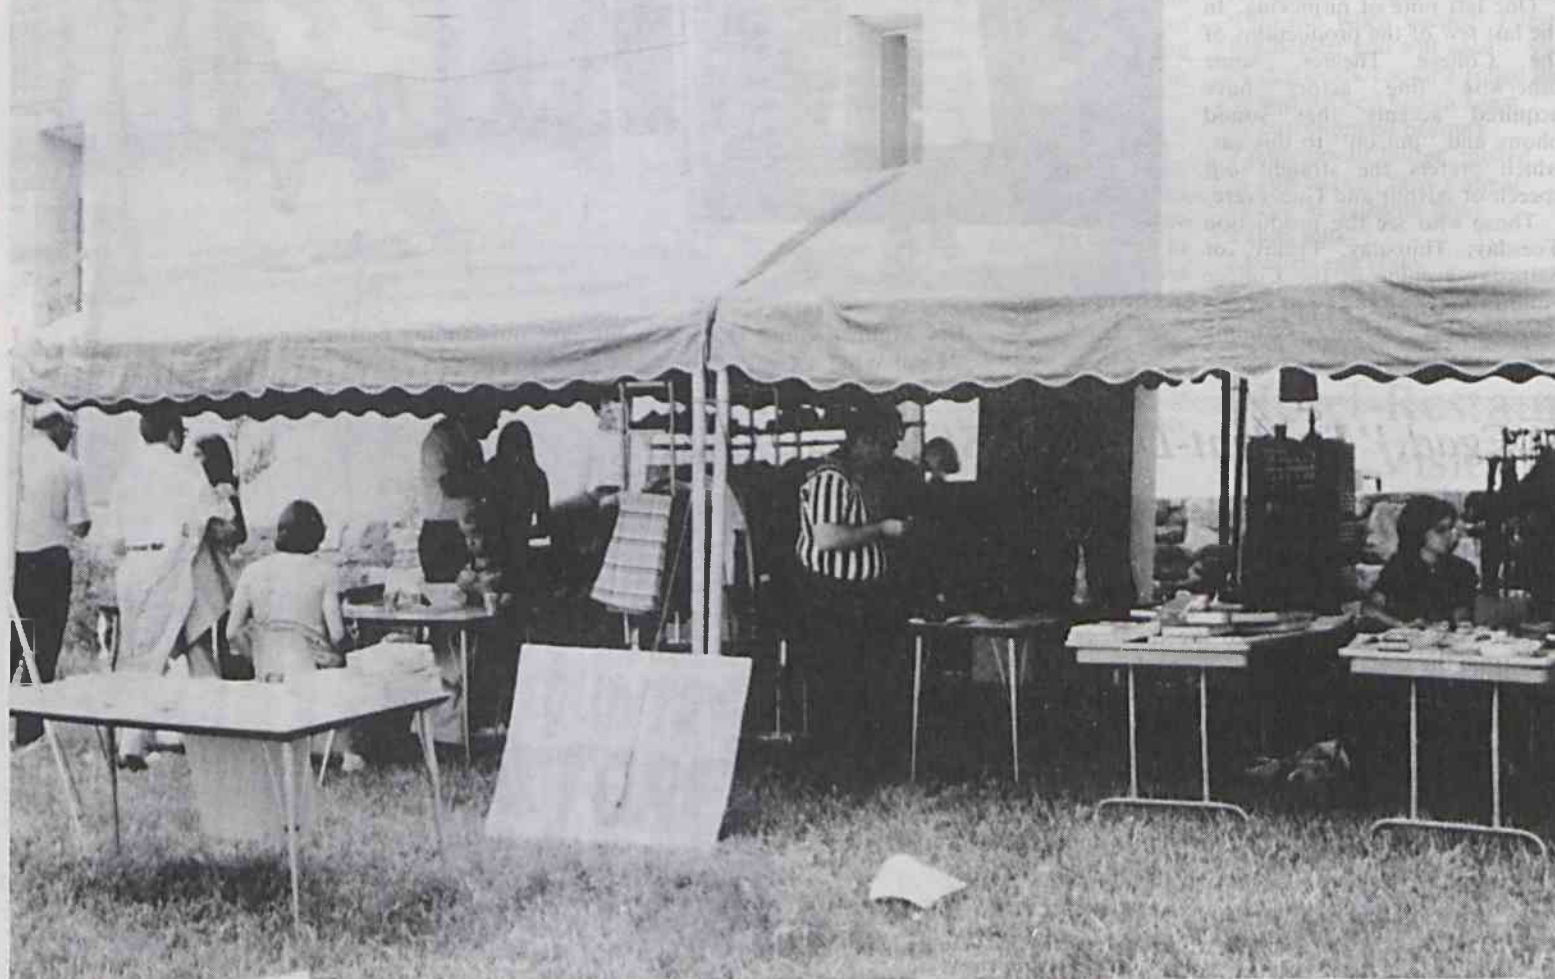

R.G. & Jeannie Absher "sing up a storm."

Mike Bailey accepted entries for the pet rock contest.

Susan Choplin "smacked" of good taste in the Kissing Booth.

The Country Store had almost everything.
