WOMEN OF CONTROL

In the distant mind
A strange internal war
Ideals frictionally entwined

Adhesive mud of lust
Domatrix of thought
Short order woman

Rich temptation
Warm of the soul
Sever your control

Women rich in deceit
Sirens of the soul
Loosen your control

YOU

From my window at midnight,
I look up toward the sky.
I see the stars so bright.
I think of years gone by.
When life was full of sorrow,
And hope I had was lost.
When living each tomorrow,
Just wasn't worth the cost.
And yet I know dreams don't last,
Nor do burdens to one's soul.
And like all men who've fled the

past,
I strive to meet a goal.
For this one cause I strive each
day.
My hopes no more in vain.
No more I care what people say,
For now my missions plain.
So here I stand alone this night,
Absorbed in deepest thought.
I'm waiting for the morning light,
I've found what I have sought.

MEMORIES

Beautiful words: do they come
from the heart....
from emotions deep within?
Writing in truth along with loving
desire to be a part of your
heart!
Your love in its magnificence
keeps your loyalties young:
shining and flowing out of the
wind of time...

muffled mind
tells me, that evening will be
remembered, as a bright star
shining forever!
Rivers wash away stones; some-
times leave ferns
yet, I reached out, touched the
sun,
and my heart pines with desire!
Perhaps, a mental battle...but not
forever;
for I shall see you again,
someday,
again, and then I will know;
being filled with innocence and
prize
thinking of your rare face ashine!

Let your heart be crowned with
immortal praise,
if, it be as warm as your touch.
These about you are beautiful: let
me not, be deceived....
your mysterious eyes, what did
they see?

Fire does burn deep; sometimes
leave scars —
dark clouds blow by
but not memories of you
Your sitting in a chair, masses of
dark hair,
unravelling by your shimmering
smile!
May you never feel pain from
yesterdays blows,
clouded with the mystery of
tomorrows sorrows;
astonishment, yet calm in you
exists,
great secrets dared to be
explored!

Perhaps, rainbows, like royal
flames?
Your soft touch, warm as a
summer breeze!
The best I have ever known and
missed....

I ask myself why, not knowing
still
that fire burns deep and a heart
doth melt!
Memories of one evening spent
with you....
thoughts linger still; nothing
remains,
it ended too soon!
Yet, golden forever, like eagles
flying.
Now in my perplexed silence, my

LIES

The time has come
for me to say
that we must go
our separate ways
you said you would call
but you never did
how did I know
that you were not dead
It's nice to think
of the times we shared
but now I know
that you never cared

You made me cry
so many times
I still don't know why
'cause you are not mine
You love yourself
but in the wrong way
life for you
will have no stays
I pity you dear
but I don't know why
'cause you are nothing
but one big lie.

College Workstudy

The College Work-Study (CWS) Program provides jobs for students who have great financial need and who must earn a part of their educational expenses. You may apply if you are enrolled at least half-time as a graduate, undergraduate or vocational student in an approved postsecondary educational institution.

The educational institution which participates in College Work-Study arranges jobs on campus or off campus with a public or private nonprofit agency, such as a hospital. If you are found to be eligible, you may be employed for as many as 40 hours a week.

In arranging a job and determining how many hours a week you may work under this program, the financial aid officer will take into account: (1) your need for financial assistance; (2) your class schedule; and (3) your health and academic progress. In general, the salary you receive is at least equal to the current minimum wage. Maximum hourly wage rate depends on the job and your qualifications.

Apply through the Financial Aid Officer at your school. He is responsible for determining your eligibility and arranging the job.

Applications are available in the Student Services Office at Wilkes Community College.

Basic Educational Opportunity Grant Program

Application

The Basic Educational Opportunity Grant Program (Basic Grants) makes funds available to eligible students attending approved Colleges, Community/Junior Colleges, Vocational Schools, Technical Institutes, Hospital Schools Of Nursing, and other post-high school institutions.

In academic year 1977-78 (July 1, 1977 to June 30, 1978) you may apply for a Basic Grant if you are an undergraduate student enrolled on at least a half-time basis in a program of study which is six months in length or longer.

To apply for a Basic Grant, you must complete a form called "Application For Determination Of Basic Grant Eligibility" for the 1977-78 academic year.

You may get copies of the application from Postsecondary Educational Institutes, High Schools, Talent Search, Upward Bound Projects, and Public Libraries, or by writing to P.O. Box 84, Washington, D.C. 20044.

Send the completed form in accordance with the instructions on the application. Within six weeks you will receive a notification of your eligibility.

Applications are available in the Student Service Office at Wilkes Community College.
