Welcome To WCC

DR. DAVID E. DANIEL
W.C.C. PRESIDENT

President's Welcome

Welcome to Wilkes Community College! It is our purpose to serve you as you meet your educational and occupational goals. Your time here will be spent in attending classes, meeting new friends, studying in the library, enjoying music, plays, athletic games, etc., learning new skills, and improving present ones. The old saying is true: You will receive benefits in accord with the efforts you make. If you do put forth effort, I assure you that your time will be rewarding in many ways. Again, our job here is to help you.

Don't hesitate to seek help when you need it. Every employee has a special task to perform which is designed to help you meet your goals. Working together our lives will be enriched and our goals achieved.

Fiddler on the Roof to be Produced

The College Theater will produce "Fiddler on the Roof" October 26 through November 3. Auditions for "Fiddler" will be held in the College Auditorium Wednesday, September 5, and Thursday, September 6, from 7 p.m. until 9 p.m.

Those interested in auditioning should come prepared to read from the show and sing a song, preferably a song from the show. Dancers should come prepared to work out.

Meet W.C.C.'s SGA Officers

DEE SULLIVAN
PRESIDENT

MARY NELL NICHOLS
VICE-PRESIDENT

Hello my name is Dee Sullivan. I am your SGA President. I would like to welcome you to Wilkes Community College. Your Student Government Association is here to work for you, and we hope that you will get involved with the SGA as well as other activities on campus. On Wednesday, September 19th, the SGA will be holding the freshmen elections. I hope that you will get interested in the Student Government Association because we are already interested in you. Again I would like to say welcome to WCC and Good Luck. Sophomore class officers: Denise Cleary, Tommy Williams, Richard Pierce, and Randy Bryant. Senators are: Cecil Stewart, Christine Howell, and Andrea Combs.

Dean of Instruction

Welcome to Wilkes Community College. We are extremely happy that you have chosen Wilkes Community College as the institution in which to further your education.

We have a variety of programs in which to serve you. Your Community College offers the first two years of general education through the College Transfer program leading to an Associate in Arts degree. Specialty courses are offered for the Associate in Fine Arts degree and the Associate in Science degree. Our two-year technical programs offer courses leading to the Associate in Applied Science degree. Vocational programs leading to a diploma are available for students desiring to go to school only one year. Special

DEAN of INSTRUCTION

programs and courses are also available through Continuing Education.

Our faculty, counselors, advisors, and administrative staff will assist you in selecting and achieving your educational goals and objectives.

We hope that 1979-1980 will be a very successful and enjoyable year.

ADMINISTRATIVE SERVICES

Business Office

Congratulations students for having chosen Wilkes Community College to begin your post-secondary educational career! You have really made a much wiser choice than you or some of your friends might think. I say this, not because WCC isn't a university, that it isn't the largest of institutions or that it isn't located in some distant city or county. I congratulate you because you have chosen an institution where quality instruction is first in your mind, where a great institution is near to your home, family and friends, and more importantly, where much lower cost will purchase the same education one would receive anywhere. A better choice cannot be made anytime, and more particularly during this period of inflation and economic instability.

Your instructors will really know you at WCC, will give you extra help if you should need it. (Continued to Page 4)

Athletically Inclined?

The College participates in intercollegiate basketball, golf and tennis. These athletic teams have had much success in the past and are looking forward to the 1979-80 season with the promise of yet another exciting year. Any student interested in trying out for any of the teams or would like more information should contact Joe Linney, Athletic Director, Room 731 Technical Arts Building or call the College 667-7136.
