## Student Financial Aid

### Grants, Workstudy and Scholarships

Financial aid at Wilkes Community College includes funds for scholarships, grants, loans, and employment. Sometimes a student's financial need is met by a combination of one or more types of aid.

When a student applies for financial aid, he or she may designate the kinds of aid preferred. Part-time to full-time students may be eligible for all types of financial aid.

**1. Basic Educational Opportunity Grant Program (BEOG)** Basic Grants are federally funded and there is no specified field of specialization. The amount of the grant varies and is based on a formula which takes into account the amount you and your family can contribute to your education. The award cannot be greater than one-half the cost of attending Wilkes Community College.

**2. College Workstudy Program (CWS)** Students earn while they learn through the College Workstudy Program. On-campus work experience, whenever possible, is related to students' career objectives. A student usually works 5 to 15 hours a week at the minimum wage of \$3.10 per hour.

**3. North Carolina Student Incentive Grant Program (NCSIG)** This program is administered by the College Foundation, Inc. Funds are provided by the North Carolina State Educational Assistance authority under the 1965 Higher Education Act as amended, from the

State and Federal appropriation. To qualify for a NCSIG, students must complete the necessary applications for financial aid, be a legal resident of North Carolina, accepted for the enrollment or enrolled in good standing at an institution of higher education.

### 4. Institutional Scholarships

These scholarships are offered to students attending Wilkes Community College by local civic and service clubs, organizations, business and industry, and interested individuals. They are awards to students who demonstrate academic ability and have a realistic need.

Wilkes Community College students and applicants are encouraged to check with The Financial Aid Office in Student Services for information on PART-TIME EMPLOYMENT, VETERANS' ASSISTANCE, SOCIAL SECURITY BENEFITS, VOCATIONAL REHABILITATION AND CETA.
