

**MR. TOM WHITTINGTON**  
Dean of College

## From the Dean

Welcome Students! We are happy you have chosen Wilkes Community College as the institution to further your education.

All of the Divisions and Departments are here to serve you. As an educational institution, Wilkes Community College offers you a wide variety of educational programs. Your Community College offers the first two years of general education through the College Transfer Program and the Associate in Arts degree. Specialty courses are available for the Associate in Science degree and the Associate in Fine Arts degree. The two-year technical programs offer courses leading to the Associate in Applied Science degree. One year vocational programs, special programs and courses through Continuing Education, Special Services courses, the Human Resource Development program, the Career Center, Cooperative Education, Adult Basic Education, Adult High School program, and the Instructional Media Center are also available to you in meeting your educational needs. Our faculty, counselors, advisors, and administrative staff will assist you in selecting and achieving your educational goals and objectives.

We hope that 1982-1983 will be a very enjoyable and successful year.

**DR. BOB C. THOMPSON**  
Dean of Student Services

## "COMMUNITY"

**(Joint Ownership and Participation)  
NEW FRESHMEN AND  
RETURNING STUDENTS  
WELCOME TO  
"COMMUNITY"**

Bob C. Thompson

Wilkes Community College has always been the "peoples college." People throughout our service area, particularly Wilkes County, affectionally refer to it as going to "Community". During the last few years, many events have taken place to enhance and expand the feeling throughout the service area that the college truly does belong to the people, and it is here for them to view, walk on and participate in; the people know that the college is improving the quality of their life. The fact

**DR. CONRAD SHAW**  
Vice-President of  
Administrative Services

## Welcome

May I extend a hearty welcome to each of you who have chosen to attend Wilkes Community College your freshman year. I think you will be pleasantly surprised as you go exploring on the campus, the natural beauty, serenity, cleanliness, etc. you shall surely find.

The entire faculty and staff who work at Wilkes Community College are interested in you and wish to contribute to your needs and comfort. We are here to serve new students entering for the first time as well as for those who are returning.

Some improvements and renovations

have taken place over the summer, such as a new lab in room #406, new concrete walkways between Thompson and Hayes Halls, and several additional outside directional signs are in the process of being added to the new ones.

The beautiful college bookstore, which has many exciting items is ready to serve you; the excellent security and traffic control personnel are ready to help you as well as all the other personnel in the Administrative Services Area. We wish each of you a very successful school year!

that the people feel that the college belongs to them and that they take pride in the institution is evident by the fact that prospective students, week-end guests, real estate clients, dates, garden club enthusiasts, prospects for employment and visitors are driven on the campus to see Wilkes Community College. One prospective student, writing for an application for admission, stated in her letter, "if the college is as beautiful on the inside as it is on the outside it truly is beautiful". An atmosphere of openness, freedom and accessibility has been created, which in turn, fosters the feeling and reality of "Community". From the office of Student Services, we wish to express a warm welcome to each new Freshman and returning student as you begin the 1982 academic year at Wilkes "Community" College.

Maybe our children are spoiled rotten because we've given them everything we didn't have and forgotten to give them those things we did have.

**MR. TONY RANDALL**  
Dean of Curriculum Programs

## Staff Profile

Mr. Tony Randall, the Dean of Curriculum Programs, is a native of Iredell County, NC. He finished high school in Statesville and is a graduate of Pfeiffer College and the University of South Carolina, where he received his master's degree.

As Dean of the Curriculum Programs, he has four Chairpersons working with him from the different departments, and he serves as the chairperson of the Human Services Department. His work consists of helping the Chairpersons with their work and maintaining a good system of instructional programs at WCC.

In September, 1977, Mr. Randall came to Wilkes Community College as an instructor in the Criminal Justice program. He, along with his other duties, has taught and is teaching a course called *Defensive*

*Weapons and Tactics* on Saturday here at the College.

When asked, "What is in the future for WCC," Mr. Randall was very enthusiastic about the programs growing and about some of the new programs, especially the electronics program, the two year nursing program, and the "soon to be" additional computerized instruction courses.

He and his wife, Barbara, have two children and two grandchildren. They live in the Oakwood Country Club area.

Mr. Randall's hobbies and special interests are gardening and carpentry work. He is presently remodeling and adding more space to his home.

If you haven't met Mr. Randall, make a special effort to go by his office in the Technical Arts Building first floor and meet him.

## Ping-Pong Tournament Scheduled

The WCC Intramural Program gets underway on Thursday, September 16 with a Ping-Pong Tournament. The tournament will feature play in the following divisions:

- Men's Singles
- Ladies' Singles

This is a single elimination tournament. The winner from each division will receive a \$25 cash prize.

WCC students enrolled in a minimum of six credit hours of classes will be eligible to sign up and play.

WCC students may begin signing up to play beginning Thursday, September 2 in the Student Services Office. Play begins Thursday, September 16.
