

## Financial Aid

Wilkes Community College will begin accepting financial aid applications for the 1985-86 award period on January 2, 1985. Students are encouraged to have their applications postmarked by March 1, 1985 since this would increase their chances of receiving certain types of assistance.

The College offers several types of assistance to meet students' needs including Pell Grants, Supplemental Grants, State Incentive Grants, Scholarships, Work-Study, and Guaranteed Student Loans. Funds received from these programs could be used for living expenses as well as direct school costs. It is possible for students to receive help from several of these programs simultaneously if they demonstrate enough financial need.

Over 80% of our students completing the application process for 1984-85 have been approved for assistance. 84-85 applications will be taken through March 15, 1985. If approved, students could receive payments retroactive to Fall Quarter 1984.

If you could use a little help with expenses, don't hesitate to contact Alan G. Whittington in Student Development for additional information.

## NACA Announces Prize Papers Competition

The National Association for Campus Activities announces its first Prize Papers Competition offering cash prizes totaling \$1,200, according to Chairman of the Board of Directors Max V. Vest. Open to undergraduate and graduate students, as well as faculty or staff of a business related to the college entertainment market, the competition is designed to recognize outstanding research and opinion papers in the field of campus activities. It demonstrates NACA's increasing interests in educating current and future campus activities professionals, Vest said.

"The Prize Papers Competition represents an important step toward realizing one of NACA's long-range goals of strengthening our educational offerings to membership," Vest said. "This competition will further enhance the image of NACA as an organization interested in innovative ideas and research in the field, while offering staff and students an opportunity to write, be judged by peers and receive a cash award."

Competition papers must be original, unpublished works on a topic about or related to campus activities programming, such as management, volunteerism, leadership training and development, fine arts, film/video, contemporary entertainment, travel, recreation/leisure, professional development and special constituencies. Papers must be eight to fifteen pages, typed and double-spaced.

Cash prizes of \$250 and \$150 will be awarded for first and second place winners, respectively.

in each of the three categories of undergraduate, graduate, faculty or professional staff. Papers will be judged by an anonymous panel on these criteria: originality and research, usefulness and applicability to the field of campus activities, content, composition and writing style, and thoroughness.

Entry deadline for the competition is July 1, 1985. Winners will be announced on or about September 1, 1985, and winning entries will be published in a Prize Papers Competition Issue of *Programming* in December 1985.
