A Parent's Love

Love...
that begins at birth.
Love...
that never ends,
only grows stronger.
During first steps,
first words,
A parent's love never ends.
This love is eternal,
and everflowing.
This love becomes a bond...
between Mother and child,
Father and child.
The bond that is unbreakable.
During first loves,
first kisses,
first heart break...
Parents are there to guide,
and to help...
help a child find love.
One thing is certain...
The child already has love...
A Parent's Love

STARLIT NIGHT

THE NIGHT IS BRIGHT,
WITH A STARLIT SKY,
I SIT AND THINK,
AS TIME PASSES BY,
OH STARY NIGHT,
WITH A MOONLIT SKY,
TAKE ME AWAY,
AND TELL ME WHY,
GIVE ME A REASON,
FOR LOVE'S END,
GIVE ME A REASON,
FOR WHY I LOST A FRIEND,
I SIT AND THINK,
ALL NIGHT LONG,
ABOUT THE THINGS,
THAT ALL WENT WRONG,
STARLIT SKY,
GIVE ME A REASON WHY.
