

## In Loving Memory of the Space Shuttle Columbia's Crew

As we mourn the seven brave lives that were lost, let us all remember the people they were and the families they left behind. May the memory of their lives bring joy and hope to all and may they find peace in the Heavens.

The Cougar Cry Staff would like to pay tribute to the brave men and women, who lost their lives coming home on the Space Shuttle Columbia, during re-entry. Let's keep them and their families in our hearts.
