## Who is This Man?

Have you figured out who the man on page 3 is?

It is none other than the *Cougar Cry's* backbone and advisor Scott Johnson. Scott is not only the newspaper advisor but also WCC's Student Activities Coordinator/Counselor and teacher of the Leadership Development Class.

The staff of the *Cougar Cry* would like to thank Scott for having confidence in us and giving us the encouragement and faith that we could actually pull this off!

Thank You  
 Scott!!
