"A Mid-Summer Night's Dream"

By: Kella Adams

What is true love? Is love a mid-summer night's dream come true? What is a mid-summer night's dream anyway? "A Mid-Summer Night's Dream" is a play about love by William Shakespeare. Several students received free tickets to attend and a \$5.00 gift certificate to eat at the Italian Macaroni Grill. Nolan Belk, an English Instructor, also went to see the enchanting Shakespeare play.

"A Mid-Summer Night's Dream" is a fairy-tale type play about love. Could you imagine living in a world with a magical purple flower that had the power to make the object of your affection fall head over heels in love with you? This may sound like a dream come true for a lot of people, however, this play reflects that one should be careful for what they wish for!!!

This is a play that I believe everyone would enjoy! This play is very thought provoking, and after watching it, I am sure your paradigm on love will change. Students that use Campus Cruiser definitely do not lose because I discovered the opportunity to go to a Shakespearean play while I was lobbied on to Campus Cruiser. So don't miss your opportunity, log on to Campus Cruiser today!
