

**Many students and faculty members here at WCC know Kim Nelson and her husband Alex. Kim was our desktop editor last semester, who graduated this past spring and no longer attends WCC. Alex has served as the Resource Officer at Wilkes Central High School for a number of years. We learned just a few days ago that Alex has left to prepare to serve in Iraq. He'll be gone for over a year. Kim and Alex are very dear to our hearts, and we just ask that you keep them and their family in your hearts and prayers.**
