Human Services Club News

By Elizabeth Lovern

WCC's Human Services Club has hit the ground running this fall. Members are excited about all the upcoming events and opportunities.

Our officers for the 2004-2005 school year are as follows:

Sherry Mabry—President
Jennifer Joines—Vice President
Melissa Idol—Secretary
Jamie Heater—Treasurer
SGA Representative—Phil Marshall

The Human Services Club was well represented in the Fall Festival. We worked the bingo room, operated the bowling activities for the children and did tattoos. The Human Services Club also had a large presence on the Greenway for the Town of North Wilkesboro's Trail of Treats. We led all the activities, games, and storytelling that everyone enjoyed. What a fantastic night this was for everyone involved. Last year, our club was at the inaugural Trail of Treats. This was our second year of participating, and we hope to remain a permanent fixture for years to come.

Have you noticed the large cans located around campus? The WCC's Human Service Club is sponsoring a diaper drive. Our House assists the Department of Social Services in Wilkes with diapers for families in need, and we wanted to help out. If you would like to help out as well, please put a bag of diapers in one of the available cans. A Human Service Club representative will pick them up and get them delivered to Our House. The need is greatest for sizes four, five, and six. Please join us in helping the families in need in Wilkes County. The diaper drive will continue until November 24th.

Several club members participated in Make a Difference Day here in Wilkes. This day is set aside for volunteers to make a difference in another person's life through helping to improve the surroundings of the people living here in Wilkes County. If you have never been involved with this, you should consider participating next year. Watch your local paper next fall to get the date.
