

# ANNUAL STUDENT ART EXHIBITION

Attention all you art lovers! The works of participating students enrolled in art studio and/or graphic design classes during the 2005-2006 school year will be displayed in room 817 of Randolph Hall from April 24 through May 5, 2006. Displays will include anything from hand-drawn art to computerized images. An opening reception was held on April 24 from 3:00-4:30 p.m. If you happen to miss this exciting on campus event, you will still be able to view the artworks once they are relocated to the Wilkesboro Town Hall gallery starting May 11 through June 30, 2006. Participating students may pick up their work in 817 Randolph Hall between July 5 and July 21, 2006. Works not picked up by July 21, 2006, will be stored until the opening of school in August. Don't be left out, come join the fun!
