Ashe Campus

On Thursday, August 21, the Ashe Campus SGA sponsored a Welcome Back Lunch that was catered by Smoky Mountain BBQ.

Two sessions, one for lunch (daytime students), one for evening course students. A gesture from the Ashe SGA hoping to kick off the new school year with a good hearty meal. All students enjoyed the great food of BBQ sandwiches, fixings, free drinks, and lots of laughs and fun times socializing to start off the 2008-09 school year on Ashe Campus.

Ashe Campus enrollment is up a lot this year, making the campus up here more energetic, a lot more students in the hallways, and just a more energetic atmosphere.
