Mr. Van Noppen at Guilford

Mr. Leonard C. Van Noppen, one of Guilford's most prominent alumni, a member of the class of 1890, which was the second class to graduate from Guilford, was our distinguished visitor on Thursday afternoon when he delivered his most entertaining and instructive lecture on "The Dutch Renaissance." Mr. Van Noppen prefaced his lecture with some very interesting reminiscences of life at Guilford. He spoke in high terms of the value of his work here. "To Dr. Hobbs and Professor Davis who instructed me in Latin and Greek literature," he said, "I owe more than to any of my later teachers my desire for excellence and thoroughness of scholarship."

Mr. Van Noppen then spoke of the work of the Quakers as pioneers in the peace doctrine. The Quakers, he asserted, are the only denomination which has unflinchingly and uncompromisingly opposed war and the world is just now coming around to their viewpoint. And after this present conflict is over a more lasting and permanent peace will be established, he prophesied.

With these preliminary observations Mr. Van Noppen then proceeded with his lecture. He treated of the Dutch Renaissance from its many aspects—painting, politics, literature, art, and government. In his clear and elegant delineation of Dutch history he portrayed in figurative language the position of Holland as a world-influence in the several channels of art, literature, painting and politics. To the Dutch scholar Erasmus he ascribed the stimulation of the humanistic movement. Erasmus, while he wrote little, created a love for the classics. Grotius and Vondel among other great Dutch men of letters were presented and the striking comparison of Vondel with Shakespeare as writers who made the ideal the practical, was very splendidly drawn.

In the field of Dutch painting Mr. Van Noppen spoke of Rembrandt and others who painted life in wonderful originality. The contributions of the Dutch to the science of politics he noted briefly. In Holland as early as the 17th century religious freedom, local self-government, and the secret ballot, were all in force. From

THE VIRGINIA TRIP

Guilford Loses Four Out of Five--Second Team Wins Two.

The baseball team on the Virginia trip was defeated in all the games save one. Our team on the whole made a creditable showing and with the exception of stick work played good ball. Being unable to hit at the proper times gave us the little end of the score.

On Tuesday afternoon we met the Winston League team and were defeated by the tune of 16 to 1. The leaguers found no trouble in hitting the offerings of Zachary, and Groome, who was sent in at the seventh inning, for a try out, did but little better. The pitching of Meador and the batting of Barber for Winston featured. Garner led with a single and double for Guilford and Futrell also hit a two bagger.

The game with Roanoke College was featured by strike outs, both pitchers having 12 batters to fan the air in vain. The game was not free from errors and this helped the opponents considerably. The home run of Tavenner of Roanoke in the eighth featured. With the exception of the second inning Murchison pitched good ball.

The first game with V. P. I. was lost through inability on our part to connect with Bibb's offerings at the proper time. He struck out 10 men. Short, who pitched a steady game for Guilford, fanned 7. The V. P. I. team was especially strong in hitting. Bruce secured a homer, a two-bagger and three singles out of five trips to the plate. Dixon also got a homer. Short and Zachary each hit for three bases, but only the latter drove in runs. Guilford scored three runs in the fourth inning when it looked like victory, but our boys were unable to keep the pace.

In the second game, Guilford got three hits in the first inning, one of these being a three-bagger by Moore, which scored three runs. After this, Treakle held the boys to no hits and struck out 11 men in the following 6 innings. Murchison was wild, due partly to a slippery field, but after the first three innings he pitched good ball. Davis played a fast game at short and broke up several would-be

hits. The game was called after the seventh on account of darkness.

The only victory of the trip was won when we defeated Emory and Henry College in a fast, clean game. The opponents scored their only run in the first inning and after this Short let them down with two hits, striking out 8 men. The team work and support given him were of big league style. Futrell hit for two doubles, while Groome led with 3 singles. The score by innings and batteries of all the games are as follows:

R. H. E.

Zatasian Contest

The seventh annual oratorical contest of the Zatasian Literary Society was held on Saturday evening, April 24, 1915. The program was as follows:

The Swalls, by Corven—Solo by Mrs. Marguerite Cartland Kerner.

The Red Cross Movement—Lola Edwards.

Our Life-Savers—Bernice Pike. Moonlight Schools—Eugenia Payne.

Will o' the Wisp, by Spross—Solo by Mrs. Marguerite Cartland Kerner.

The Social Duty of the Church—Ethel Speas.

Our Indian Relics—Ethel Whitman.

Sandman Am A-Softly Comin', by Doorak—Trio by Speas, Dix, and Pike.

All of the orations were good and each girl did decided justice to herself and Society. The prize, a complete set of Shakespeare, was awarded to Eugenia Payne.

Mrs. Kerner sang in a most beautiful and charming manner. The songs were a special feature of the program. We hope that we may have the pleasure of hearing her again.

The program, too, would have been quite incomplete without Miss Dawson's delightful accompaniments.

The judges for the contest were Miss Mary Petty, of Greensboro, and Messrs. Leroy Miller and J. F. Spruill, of Lexington, N. C. Mr. Spruill delivered the prize.

from Monticello High School at Monticello on last Wednesday evening. The game started nicely, both teams playing good ball. Monticello scored first when in the second inning an error, two hits, and a sacrifice fly netted them one run. Guilford followed suit in the third inning by scoring two and again in the seventh they connected with Christmon for seven safeties which netted them six runs. Two more tallies were added in the eighth.

The feature of the game was the heavy hitting of the Guilford boys. Miller starred with the willow securing four safeties out of four times up. The score follows:

R. H. E.
Monticello 010 000 000—1 5 6
Guil. 2nds 002 006 020—10 14 2

Batteries: Monticello, Christ-
