

THE GUILFORDIAN

VOLUME I.

GUILFORD COLLEGE, N. C., MAY 5, 1915.

NUMBER 25

Stunt Social

The annual Stunt Social was held on Saturday evening, May 1, under the auspices of the Christian Associations. At 5:30 supper was served to the entire student body on the campus. Then the stunts began. The first was a satire on the first year Biology class. The participants were the members of that class and they succeeded in presenting it in a very characteristic and at the same time laughable manner. The main feature of the class was a lecture given by Harrell Budd, imitative of Prof. Geiser, whose subject was "A Survey of the Field of Biology."

The next was a burlesque on collection held by the governess. This consisted of heart to heart talks, bits of advice, and the addition of a few more rules for the girls to obey. Georgianna Bird played the part of Miss Louise.

A "Baby Show" followed. We easily recognized that the tiny (?) infants were some we had seen at times figuring on the athletic field and in the gymnasium. They looked very innocent and passive with their bits of candy. The prize offered for the best developed and prettiest baby was awarded to little Tommy Zachary.

This was followed by a chemistry class conducted by Densmore Wood. It is not too much to say that we learned several new things about chemistry.

The last stunt was a solo given by the famous Italian soprano, Madame Tetrzini. The audience was much impressed with the masculinity of her voice.

A social hour on the campus followed the stunts. This was especially enjoyable since we so seldom are allowed the privilege of being out in the open at night.

The Guilford College Community Club had an interesting meeting on last Thursday evening to which the college students were invited. Mr. McBane, head of the Pig Club in North Carolina, gave an illustrated lecture on his branch of work, and Dr. Alexander, president of Farmers' Unions in this State, explained the value of organizations in general and urged the importance of farmers' unions.

Miss Dorothy Foltz, of Winston-Salem, was the week end guest of Harriet Holton.

GUILFORD SPLITS EVEN

Second Team Activities---Tennis With Elon---Quakers Closed Season Saturday.

Guilford closed her season Saturday and split even in the college games played, winning seven and losing seven. On Tuesday afternoon she met the strong University of South Carolina team and won 2 to 0 in a pretty pitchers' duel between Murchison and Adams, in which Murchison gained the advantage. Both teams fielded well and a fine exhibition was given. Davis, the first man up, reached first on an error, and scored on Short's three-base hit. Groome followed him with another hit for three cushions, scoring Short. These were the only runs made during the game. After this Adams settled down and yielded only two more hits. Only three hits were made off Murchison during the whole game, and fifteen men were struck out.

The next afternoon Wofford was defeated in a slugging match 15 to 5. Guilford hit almost at will and failed to score in only two innings. They were never in danger, and stole five bases. The Wofford boys also made many errors. Short was hit fairly hard, but was able to keep the hits scattered. Wiggins, of Wofford, gained four safeties out of five trips to the plate. T. Short gained a homer, two three-base hits and a single, while Davis garnered two for three bases, and Futrell one. Wofford gained twelve safeties, but were held on the bases.

The last two games were played away from home, at U. of N. C. Friday and Wake Forest Saturday. Carolina won in the eighth inning when six runs were made before they could be stopped. Until this it looked as if Guilford had the game for Murchison was going well, and we had the Carolina boys two to one, but Woodall's homer tied the score and then they started a batting rally, which in connection with a walk and an error netted five runs. Williams yielded only seven hits while Murchison held them to eight safeties, five of which were garnered in the eighth.

The last game was played with Wake Forest Saturday in a slow and uninteresting match in which our team put up about the worst exhibition that they have yet staged. Numerous errors were made, and these coupled with sev-

eral hard safe hits caused the defeat. Short was unable to stem the tide, and Murchison who had pitched the day before likewise was unable to stop the onslaught.

The scores and batteries are given below:

R. H. E.
Guilford . . . 200 000 00x—2 4 2
U. of S. C. . . . 000 000 000—0 3 5

Batteries: Murchison and Futrell; Adams and Barksdale.

R. H. E.
Guilford . . . 230 101 62x—15 17 2
Wofford . . . 200 020 100—5 12 7

Batteries: W. Short and Futrell; Eadly and Brunson.

R. H. E.
Guilford . . . 000 001 100—2 7 5
U. of N. C. . . . 010 000 06x—7 8 4

Batteries: Murchison and Futrell; Williams and Woodall.

R. H. E.
Guilford . . . 000 300 000—3 4 5
W. Forest 000 244 00x—10 7 0

Batteries: W. Short, Murchison and Futrell; Moore, Ellis and Rutledge, Davis.

A summary of games with the batting averages and statistics of the different phases of the game will appear next week.

Second Team Wins and Loses.

The Guilford Seconds played Summerfield High School on the latter's grounds last Wednesday and were defeated by the close score of 9 to 8. The Guilford boys outhit the high school team but errors and hits at critical times were responsible for the first defeat of the second team. The features of the game were the heavy hitting of Miller for Guilford and Bond for Summerfield. Reddick at first played a splendid game. The score is as follows:

R. H. E.
Guilford Seconds . . . 200 101 202—8 15 3
Summerfield High . . . 204 001 02x—9 12 2

Batteries: Guilford, Thayer and Carroll; Summerfield, Bond and Wilson.

In their sixth game of the season the Guilford Seconds easily defeated Burlington High School here last Friday by the score of 8 to 2. Zachary, who worked for Guilford, pitched a good game and should have registered a shut out but for the errors of his team. He struck out 14 men and allowed

(Continued on Page Two.)

Prof. White Leads the Y. M. C. A.

Prof. George W. White talked to the young men at the Y. M. C. A. last Thursday night. He read the Scripture which relates the story of the talents. With this as a background and with the thought—"Wist ye not that I must be about my father's business" as a central idea, he proceeded to speak about the greatest business of life—that of right living. He said that Christianity is a great business corporation with God as the head of the business and Christ the first partner, the Holy Spirit second partner.

The speaker used business terms throughout his talk and timely business illustrations. He said that we might be either active or dormant partners in this business. He drove his points home by quoting each time a well chosen portion of Scripture. He said that fidelity was one of the true partners in this business and in this connection he told the little story of the boy who had been refused a position in a bank by the president and who was called back to a position in this same bank because he had been observed by the president to pick up a pin. This boy afterwards became Lord of the Exchequer of England.

He then spoke of the inducements for one to become a partner in this business. He mentioned the savings bank department of the business in which one may lay up treasure in Heaven and declared that there would be a good balance to one's credit provided one lives as he should. Then too he mentioned the checking department, upon which one can draw checks through prayer for Christ has said "Ask and it shall be given."

The speaker treated his subject in a rather new way and handled it well.

Mr. and Mrs. Meadows, Mrs. Slate, and Charles and Nellie Carroll, of Mizpah, visited Ed. Carroll Sunday.

Misses Sallie Doub and Effie Smothers from G. W. C., visited Ethel Speas last Sunday.
