EDITORIAL.**OUR FIRST BASKETBALL GAME.**

Guilford opens her basketball season with A. & M. at Guilford on January 19. The showing that the team makes then will probably have a great influence in determining the record they will make this season. The student body must help them win.

Some of the supporters of Guilford's basketball team may be discouraged because we are not entering into this game with as strong a team as we expected. But even if it is not so strong as we expected, there is certainly no need to be discouraged, because we still have a winning team. We have a team representative of Guilford—a clean bunch of hard playing athletes. They are now learning basketball under the competent training of Coach Stuart and with him to impart to them that indomitable never say die spirit which has characterized our teams of the past, we can count on every game taken from them being truly won.

We are lucky in securing an old Guilford athlete to coach our team, a man who has played on our winning teams of the past, who is interested in Guilford, and can be depended upon to do everything possible to strengthen the team.

Never have we had a team at Guilford that the entire student body could more whole-heartedly support than our present one and never have we had a more loyal student body. We have a Pep Club and a "yelling" student body and there will be room for all in the Gymnasium. If all are there on the first night, "rooting" for Guilford, *we will win.*

He has the indorsement of all who have been associated with him in the work of this court, which to this time has been an annex to the Police Court." THE GUILFORDIAN is pleased to inform its readers of this well deserved promotion of Mr. Ricks.
