

THE GUILFORDIAN

VOLUME V.

GUILFORD COLLEGE, N. C., OCTOBER 2, 1918.

NUMBER 3

THE ENROLLMENT IS GRADUALLY INCREASING

MANY COUNTIES AND STATES REPRESENTED IN STUDENT BODY.

At the close of going to press (Monday) the Guilford student body had reached a total enrollment of 149. Enough students are definitely in prospect to carry us well beyond 150 in a short time. In view of the fact there is no unit of the S. A. T. C. at Guilford this number is decidedly encouraging. A comparison with the enrollments of the other eight Friends' colleges shows that Guilford has the highest percentage of last year's number in attendance. The number of girls is the highest for several years.

An examination of the records show that there are 100 girls and 49 boys. Of these 74 are new students and 75 are old students. The enrollment by counties reveals some interesting facts regarding the distribution of Guilford's clientele. Guilford county comes first with 44 representatives. Randolph follows with 13 and Alamance is a close third with 12. Distance does not prevent Wayne from holding fourth place with 9, while Chatham is fifth with 8 and Surry sixth with 7. Davidson, Northampton, Stokes and Yadkin follow with 5 each. Buncombe and Perquimans at opposite ends of the State meet in the middle at Guilford with 5 for the former and 4 for the latter. In the roll of states, Virginia sends 6, while Alabama, Minnesota, Kansas, South Carolina, Illinois and New Jersey all answer with one apiece.

The denominational statistics reveal that two-thirds of the college are Quakers or Methodists. The number of Quakers is very nearly the same as last year. The following denominations are represented: Friends, 74; Methodists, 39; Presbyterians, 6; Baptists, 9; Lutheran, 2; Christian, 1; Adventist, 1; Episcopalian, 1; Deciples, 1; not given, 14.

In answer to the question on the enrollment card, "If a new student give age" it was found that most of the new students were willing to confess within a reasonable degree of the truth. Two have had the courage to try Guilford at the tender age of 13, one at 14 and 6 at 15. Nine are 16 years old, 17 are 17, 21 confess to 18 years, nine admit 19, and seven 20. One of 25 years, one of 27 and one of 29 knew that it was never too late to get a Guilford education.

The enrollment by counties follows:

Alamance, 12; Alexander, 1; Buncombe, 5; Chatham, 8; Craven, 1; Davie, 1; Davidson, 5; Forsyth, 2; Guilford, 44; Mecklenburg, 1; Montgomery, 1; Northampton, 5; Pamlico, 1; Perquimans, 4; Randolph, 13; Rockingham, 3; Sampson, 1; Stokes, 5; Scotland, 1; Surry, 7; Vance, 1; Wayne, 9; Wilkes, 1; Yadkin, 5.

Virginia, 6; Alabama, 1; Minnesota, 1; Kansas, 1; South Carolina, 1; Illinois, 1; New Jersey, 1.

FARMERS SCORE SEVEN TOUCHDOWNS

GUILFORD'S GREEN TEAM PUTS UP STIFF FIGHT AGAINST A. & E. HEAVY WEIGHTS.

The football season of the State was opened with a fast game between Guilford College and State College at Raleigh. Although the game with a score of 46 to 0 went to the State College, yet at certain stages the teams appeared equally matched. Fumbles by both teams indicated the need of training and experience. The loss for Guilford by these was heavy, nevertheless they almost scored twice. The early part of the contest found the visiting team disorganized to a great extent, due to the fact that it was the first real game for many of the players. The third quarter furnished mid-season ball with the Guilford team making some fine games down the field.

It was clearly a case of the lightweights against the heavyweights, the heavy man for State College weighing around 210 pounds, while the heavy man from Guilford weighed 170 pounds. The visiting players were on an average twenty to twenty-five pounds lighter than their opponents, yet they took the usual knocks of the game exceedingly well and suffered less than the heavier fellows. The Guilford boys called for time only once, and then for a few seconds, while the State College players took their three calls of two minutes each. Of course, the first game for our boys should have been against a lighter team; yet this will make the rest of the season easier, and it enabled our green players to learn much football in a very short time.

Stafford, Anderson, Barnard, Rice and Raiford played a strong game for Guilford. Coach Doak has made some changes in the team, and with the new material coming in, we will have a fast, well-balanced team to go against Wake Forest College on October 19th.

The line-up:

THE RECITAL CHARMS AUDIENCE

GUILFORD'S MUSIC MASTER SINGS WITH BEAUTY AND POWER.

Badrig Vartan Guevchenian, instructor in vocal music at Guilford College, opened the musical season here with a highly successful recital in Memorial Hall last Saturday night. The audience was appreciative and enthusiastic and was frequently carried away with the power and richness of the recitalist's voice and the perfection of his technique. The program was sufficiently varied to show the remarkable range and ability of the singer. Although all was of the highest artistic quality Mr. Guevchenian was especially fine in those numbers requiring an agile flexible voice adapted to lyric rendition. He is a tenor with a voice of powerful middle range and a timbre of baritone quality. The head tones were strong and fine. The notes poured forth from his throat without the least sense of effort giving an impression of great reserve power. The audience could not help but feel that he sang for art's sake and not for popular approval. He was heartily applauded and enthusiastically encored. His best numbers were "Phillis plus avare que tendre," "Chantons les amours de Jean," "Four Leaf Clover" and "Now Sleeps the Crimson Petal." For an encore he sang "Keep the Homes Fires Burning," the audience joining in on the chorus.

The program was as follows:

- I
- Selve Amiche Caldara
 - Lescia ch'io pianga Handel (From Rhinolda)
 - Nel cor piu non mi sento Paisiell

- II
- Phillis plus avare que tendre
 - Chantons les amours de Jean
 - Jeune Fillette
 - Tamhourin

French Bergerettes of the 18th Century.

- III
- The last movement from the song cycle "To the Distant Beloved" Beethoven

- IV
- Slumber Song Gretchaninow
 - Four Leaf Clover Brownell
 - To a Messenger La Forge
 - The Home Road Carpenter

- V
- Now Sleeps the Crimson Petal (The words by Tennyson). Quilter
 - The Star Rogers (A fragment from Plato)
 - Recompense Hammond
 - La Marseillaise—French National Anthem.

Miss Julia Ball at the piano.

GRISSOM TO HELP COACH.

Laurence Grissom '18, one of last year's stars on the football team will assist Bob Doak in getting Guilford's football team into shape. "Gris" knows how to use his head piece and when Bob's furlough expires he will be particularly useful.

"FARMERETTES" CUT CORN

Prof. Davis remarked in chapel Friday morning that he wanted some boys to cut his corn. The boys were all leaving that afternoon for A. & E. so the girls decided to go. Accordingly nine girls obtained knives and started on the way to Prof. Davis' cornfield, but met him on his way to monthly meeting. He was very much amused and told the girls to go back and get on their overalls, and come when he got back from meeting. They did not however for they knew where the field was and immediately set to work.

When Prof Davis returned he found that nearly half of his corn was cut, but the girls were having a terrible time shocking it. He very readily assisted and the shocking was completed. Without a doubt Prof. Davis would give any of the following a recommendation: Vira Clodfelter, Tom Stewart, Lulu Raiford, Allie Sham'burger, Ruth Coltrane, Edna Raiford, Lydia Pickett, Eva Edgerton and Naomi Tomlinson.

DR. AND MRS. BINFORD ENTERTAIN THE JUNIORS

Just at the stroke of 8 on last Tuesday evening, a band of jolly Juniors set out for the President's cottage.

The guests were received by Dr. and Mrs. Binford and each one given a slip of paper with the word Red, White or Blue on it. The guests arranged themselves into three groups and one from each group was chosen to sketch a picture on a blackboard placed in full view of all. Then every one present was given a chance to display his poetic ability, for it was required that each one write a poem, taking the picture as his subject. Some very original poetry and even some new meters were the result of this task.

After this the guests arranged themselves in a circle and all took part in a Shakespearian contest. Several present found that they were not so familiar with Shakespere after all.

The mathematical ability of those present was then tested in "Buzz." One by one they dropped out as those numbers divisible by seven, grew larger and larger, until only Miss Edwards and Leslie Barrett were left standing.

After these contests the corresponding numbers in each group divided off into threes and in the order of their coming, marched into the dining room, where delicious punch and wafers were served.

Before the guests departed they were favored by a piano selection by Mrs. Binford.

The guests have never attended a more original party and each one is indebted to Dr. and Mrs. Binford for very pleasant memories.
