SUPPORT INTRA-MURAL GAMES.

The splendid enthusiasm and perseverance of the Athletic Associations are noteworthy at Guilford this year. In spite of being handicapped, as far as playing teams from other institutions is concerned, the teams have worked just as earnestly and with just as much determination as ever before. The local games have all been hotly contested and afforded much interest to the spectators. These efforts of the teams, both of the boys and girls, are worthy of approval and appreciation by the entire student body and it seems that the approval is being shown by the hearty support given at the games. This certainly should continue. Nothing can keep up college spirit and make students contented so well as good, clean athletics, then the way in which the students have responded to the games has put interest into them where interest might have been lacking. Take for example the games of the past week. In the football game much enthusiasm was shown and the number of those attending the game was larger than it has sometimes been when a rival college was playing. It seems to be a good thing to take sides in these games. More "pep" results and the players feel as if they had something to work for.

In the girls' athletics more interest is being shown this year than ever before and the public baseball game was a new feature on the college campus. The hearty approval of the entire student body was shown by the large number of those attending the game. It would have done the heart of an alumnus good to see the students and faculty turning out en masse to a local game and supporting the opposing teams. A thing

like this is in accord with the true Guilford spirit and the more we have of it the more our efficiency will be increased.

VARSITY DEFEATS SCRUBS 52 TO 0.

Another very interesting practice football game was played Friday afternoon. The men all showed much "pep" and the game was played well from beginning to end. In the beginning of the second half the scrub back field was exchanged with the varsity back field.

B. White and Raiford made long runs for touchdowns. Barnard at quarterback showed his usual ability to handle the team and to kick the ball. The line-up:

Varsity	Scrubs
Cox	C
M. White	L. G.
Moore	L. T.
Rollison	L. E.
Woody	R. G.
H. Edwards	R. T.
Joe Taylor	R. E.

ATHLETES VICTORIOUS OVER SANDWICHES AND HOT-DOGS

Saturday afternoon after the hard fought baseball game the girls were not content until they had won a second victory. Immediately after the game was over all those taking part set out for the "old well" about 5 o'clock. A brilliant campfire was made and the dignity and the timidity of all were laid aside, and every one indulged in outdoor games. After this a circle was formed around the campfire and all joined in singing college songs, folk songs and songs of all descriptions. The merriment was greatly increased by a banjo and mandolin as an accompaniment.

Then came supper. Surely the leaders of this occasion had forgotten Mr. Hoover because such a supper he could not approve of. Sandwiches disappeared by the wholesale, pickles just slipped through the athletes hands, hot-dogs were used up in such rapidity that no one has yet been able to count the number consumed, and coffee, "Miss Gainey's best," was a great stimulant to those who had been in the hard-fought game.

As all were leaving the campfire you could hear the merry voices singing Perfect Day. Indeed it seemed the end of a perfect day to those who were permitted to enjoy it.

WEBSTERIANS DISCUSS THINGS IN GENERAL

At the regular meeting on Friday evening, Nov. 8th, the Webs had an excellent program. The first number was rendered by J. D. Dorsett, who gave his impression of his home town, Siler City. The second number, "My Impressions of My Home Town" was given by Jack Brown and was very enjoyable. Woody held the interest of his audience by giving a speech on his home county, Alamance. Macon and Raiford then entertained the society by giving extemporaneous speeches.

The Webs were glad to receive as a full member of their society, Frank Mims.

After an interesting critic's report by J. Barnard, society adjourned.

PHILOMATHEANS DISCUSS BELGIUM

Nov. 8th the Philomathean Society had a very interesting program. The first number, a newspaper by Tom Stewart, was very amusing. The second number was a very well rendered instrumental solo, "To a Wild Rose," by Luna Taylor. Madge Coble then gave a good picture of Belgium in war time. The fourth number, "The Kingdom of Belgium," by Grace Stone, showed the composition of the kingdom and its political workings. Eva Lewallen gave a recitation at the close of the program. Georgiana Bird was elected president, Madge Coble secretary, and Isabel Pancoast marshal. Donna McBane gave a splendid critic's report.
