

THE GUILFORDIAN

VOLUME V.

GUILFORD COLLEGE, N. C., FEBRUARY 5, 1919.

NUMBER 14

Feb. 11, Basket Ball, U. N. C. vs. Guilford, Greensboro Y. M. C. A.

LT. FOWLER LECTURES

Lt. Fowler, of the 35th Division, recently returned from overseas duty, lectured to the students and faculty last Tuesday afternoon. Lt. Fowler related in a most impressive manner his own thrilling experiences during eight months at the front. He was stationed two months in Germany south of Metz; placed in one of General Pershing's shock divisions; was with the British during the bombing at Abbeville; and with the American reinforcements at Chateau Thierry, where a second Gettysburg was staged; during the blotting out of the St. Mihiel salient he was wounded by concussion of a heavy bursting shell.

The lecture was highly entertaining from beginning to end. He spoke as one who had been there.

GUILFORD SECONDS DEFEATS GUILFORD HIGHS, 37-26

An interesting and fast game was played on the local floor Jan. 28, when the Guilford second team met the Guilford Highs. Both teams fought bravely from beginning to end. The Guilford Highs excelled in passing, but they were handicapped by not being able to find the goal. The outstanding features for the Guilford boys were their defensive playing and accuracy in shooting.

McFarland and McBane were the stars of the game for Guilford, while Lindley and Ferrell played the best game for the Highs. The final score was 37 to 26 in favor of Guilford.

The line up:
Guilford Second. Guilford Highs.
McFarland r.f. Lindley
Z. Dye l.f. Mackey
Macon c. B. Ferrell
McBane r.g. K. Ferrell
Stout l.g. N. Finch
Substitutes: Casey for Macon, A. Lindley for Finch.

Field goals, McFarland 6, Z. Lye 4, McBane 6, Macon 1, F. Lindley 4 Mackey 3, B. Ferrell 3. Foul goals, Macon 3, B. Ferrell 6.

That game in Greensboro with the University next Tuesday will be a hum-dinger. Come and bring all your friends. This will be a chance for the Alumni to show their support of the college.

It looked fine to see the girls and boys manifest the Guilford "pep" of the good old days, Friday night at the game!

The boys fought worthily and well. Their pluck and "pep" almost won the game in spite of odds.

CLOSE GAME PLAYED WITH DURHAM

COLLEGE LOSES IN THE LAST MINUTE OF PLAY BY A SCORE OF 24-22.

Seldom has a college audience followed a basket ball game with more intense interest than on last Friday night when the team met the fast Durham Y. M. C. A. quint. Durham has defeated the best college and Y. M. C. A. teams of the State and, the the score resulted unfavorably for Guilford, there is much general satisfaction with the performance of the team. During the first half Guilford clearly outplayed their opponents and the half ended with a score of 15-10 in Guilford's favor. During the latter part of the game however the visitors succeeded in locating the basket. With but a minute left to play Guilford was two points ahead. Durham made a desperate effort and succeeded in scoring the winning goal just as the whistle sounded. Frazier's foul shooting was a feature as he missed only one out of seven chances. Raiford was back in the game after recovering from the flu and his presence was a big help to the team. Mangum, Durham's speedy centre, did most of the scoring for the visitors and the score might have been different had Guilford concentrated more effort in guarding him.

Guilford	Durham
Frazier F	Perry
Raiford F	Stevens
Stafford C	Mangum
Rice G	Clay
Anderson G	Waller

Field goals, Frazier 3, Raiford 4, Rice 1, Perry 2, Stevens 1, Mangum 7 Clay 2. Foul goals, Frazier 6. Referee, McBane. Final score: Durham 24, Guilford 22.

ANDERSON ELECTED CAPTAIN.

At a recent meeting of the basket ball team Tom Anderson was elected captain. Tom will make a good leader as he possesses the confidence of the players and is an enthusiastic and hard working player.

A men's glee club has been organized and Prof. Guevchenian thinks that the masculine warblers will show that they can produce some real harmony.

The Cox Hall infirmary has been abandoned and all the flus have flown. All are up and at work except Hugh Moore, who left for his home near Goldsboro to recuperate. Jessie Cox is still on the convalescent list.

WILLIARD DISCUSSES ARMY "Y" WORK

The Y. M. C. A. was led by Hervie Williard, '19. He gave one of the most instructive and helpful talks that has been given this year. His subject was "The Criticism of the 'Y' Work in the Army" and having been in the army he was able to give some first hand information about what the Y has done. He criticised the criticism of the press and others who have been ready to criticise the splendid work done by the Y. M. C. A. secretaries who worked so nobly and heroically for the uplift of our boys at home in the camps and "over there."

"Just as Paul ministered so has the 'Y' been on its missionary journey." Hence the speaker chose as topic thought the seventh verse of the second chapter of Phillipians. "But Christ made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men." He then took up some of the criticism of the Y. M. C. A. work in the press justifying it by saying that all organizations have been criticised and that the share the "Y" received has tended only to strengthen it. The Evening Ledger criticised the "Y" for charging more for commodities than the Red Cross and the criticism was answered at a sacrifice of \$3,000,000 annually because the "Y" had to pay cartage fee and the Red Cross did not.

The criticism concerning the intelligence of the "Y" Secretaries was answered by a review of the roster showing that College Presidents, University men, teachers, preachers and business men are in the majority.

The speaker said the religious meetings had been well attended and showed statistics that more attended the religious meetings while at camp than at home. An average of a little less than two hundred was the ordinary attendance of the meetings in the summer months.

Some of the "Y" work on the firing line was discussed and many incidents were cited as examples of real service. In the battle of Chateau Thierry a striking incident showed the confidence of the fellows in the "Y." "A Greek came to a Y secretary and remarked that he might be killed in a few minutes and requested that his money be sent to his mother. As soon as the secretary started to write him a receipt he said, 'Me no receipt; you Y. M. C. A.'"

To quote further, "Four great leaders of the war whose names are spelled with four letters are: Haig, Foch, Diaz, and Mott and the last named may we choose to call The Field Marshal of belligerent Christendom." The speaker ascribed to

SOCIAL AT NEW GARDEN

At 7:30 Saturday evening all the well and those who had just gotten over the flu, made their way to New Garden for a social hour. Fortunately this term has brot several new boys to the campus and more girls than formerly were able to find congenial partners to aid conversation.

In the dining room games were played by the girls and the few boys who found it necessary to entertain them all. Others played rook, some sang and several merely talked. It was not long until 9:30 came and the crowds had to part. This was a pleasant social on account of the fact that it was the first time that all the students and faculty were in good health since the holidays.

MISS CHILTON LEADS Y. W. C. A.

One of the most helpful talks that the Y. W. C. A. has heard this year was given last Thursday evening on the subject of "Loyalty."

Miss Chilton began by reading Matt. 7:21-25 and Matt. 5:13-16. She then continued "Every one has some religion, even the small child is taught to love Jesus because he has been told that Jesus cares for little children.

"Then comes a time later in every girl's life when she is attracted by the subject of religion, and determines to follow the example of the Master. Yet, what factor is it in the life of Christ that makes him so much admired." Miss Chilton bro. out very forcibly the fact that this factor was the loyalty of Christ to His cause.

"We profess to be followers of Christ. If we determine to follow Christ we take His purpose as ours and we should be as loyal to it as He Himself was. Jesus was a true patriot. He was not ashamed of His cause even among enemies. Some hated Him because He would not contradict His own sentiments."

The point was then brought out that our failures to live the Christian life are due to the fact that we fail to recognize that loyalty to Christ means loyalty to His cause.

This splendid talk inspired each girl to examine her own life more carefully and to ask herself these questions: Can God rely on me to be loyal? Do I ever deny the cause of Christ, by my words or by my deeds?

At a meeting of the Science Club held last Wednesday night the program consisted of an interesting account of the uses of whale meat and its bearing on the food problem by Miss Gifford and an excellent description of some camouflaged foods by Hobert Patterson.
