

**GUILFORD LOSES TO ELON AND TRINITY**

(Continued from first page)

ford, 3. Time, 1:40. Umpire, Henderson.

Of the Trinity game the less said the better. For about five innings Edwards held the visitors down to one run and it looked as if a close game was in prospect, but Guilford's green team blew up and Trinity romped around the bases. A home run with three on base was one of the many disasters. The inability of the infield to handle bunts was one of the causes of the trouble. Edwards showed some good speed but an inability to tighten up at critical moments. The final score was 12 to 2.

**SCIENCE CLUB HOLDS ANNUAL CAMP SUPPER.**

The regular meeting of the Science Club on last Wednesday evening was in the form of a camp supper.

Promptly at five o'clock a happy crowd loaded with pots, pans and all necessary articles for such an occasion set out for the camping ground over beyond the old pond.

Prof. Brinton had preceded the crowd and a blazing camp fire was there to greet the club. Immediately every one hastened to get "puppie" sticks but this time there were no puppies. Instead each person was given a generous slice of steak to broil.

As usual Prof. Brinton presided over the pancakes and the aroma of Miss Gainey's unsurpassed coffee filled the air.

Lettuce and pineapple sandwiches were very much in evidence and Fudge such as only Prof. Brinton and Annie Shamburger can make completed the menu.

Just as darkness began to descend over the earth a band of jolly, but tired scientists wended its way back to the campus, feeling that another happy memory of Guilford was added to its string.

**GLEE CLUB ENTERTAINED.**

On Monday afternoon, April 14, the Aeolian Glee Club was entertained on the campus in front of Founders Hall by Prof. B. V. Gouvchenian, the director of the club. In addition to the members the individuals who assisted at the recent con-

cert as marshals and stage managers, were present.

The guests indulged in conversation until the hour when ice cream and cake made its appearance. This proved a most welcome addition to the occasion, especially since a second helping was quite permissible. After this, various pictures of the guests were made; and souvenirs in the form of group pictures of the club were presented to each guest by Mr. H. H. Brinton.

At the last regular meeting of the Literary Club the study of Russian literature was contained in an interesting discussion of the life and works of Dostoyevski by Mrs. Carroll, and of Gorky by Miss Osborne. The club welcomed as a visitor Mrs. Meredith, a former member, who favored those present with several vocal selections. The next program on the life and works of "Turgener" will be given by Miss Ball and Miss Noles.
