Negro Minstrels April Second

Biggest Show of The Year

April 2 has been chosen as the date for the Negro Minstrel, to be given by the Athletic Association. The annual display of local talent promises to be above the average in quality. Regular rehearsals of the musical numbers have been going on for over two weeks. It is believed that with the two remaining weeks of practice the soloists, quartets and choruses will be able to render several of the latest song hits and some old time harmonies with pep.

The end men promise us some reliable information about local affairs. There will also be "warm coons prancing, and swell coons dancing" for darktown will certainly be out that night.

All those wishing reserved seats should write H. G. McBane. Reserved seats will be sold for 75 cents and \$1.00. There may be a very limited number of rush seats at 50 cents.

"THE MEASURE OF A MAN"

The announcement that A. I. Newlin was to lead the meeting brought a full attendance to the Y. M. C. A. hall Thursday night. Those who attended were not disappointed, for they received one of the best talks that has been given this year.

The central theme of the talk was, "The measure of a man." The scripture reading was the first verse of the eighteenth chapter of Matthew.

As an introduction he used a quotation from Emerson which says, we take the measure of a man the first time we see him and every time we come in contact with him. To this he added that we are not always able to judge accurately. We may be able to say which football man is the best backfield man, or the best line man, but we cannot say which of the two is the better foot-ball player. We may be able to say who sings tenor or bass best in the chorus but to say with any degree of accuracy who is the best singer would be almost impossible. He then brought the subject to a more personal point of view and said, "if in gazing in a mirror we could see behind the periphery of our countenance a word of self-condemnation would rise to our lips."

But though this hidden thing may exist we have this reassuring statement from Mr. Wilson, "A man is the part he plays among his fellows." When a man approaches the end of his life and looks back over the past years, the thought that he has played the part of a man is far more satisfying than anything which he could have done.

Then as a fitting close to his talk, Algie quoted that well known poem, "If" by Kipling that ends—

"If you can fil the unforgiving minute
With sixty seconds' worth of distance run,

Yours is the Earth and everything
that's in it,

And—which is more—you'll be a
Man, my son!"

Girls' Inter-Class Basket Ball

Juniors Win Over Preps in Final Game—Score 23-30

On Saturday evening, March 19, the final game of the girls' inter-class basket-ball series was played between the Preparatory and Junior teams. The game was characterized by excellent team work.

The Preps were in the lead through the entire game until in the last few minutes when the Juniors outclassed them mainly by strength.

Much enthusiasm was manifested in all the preliminary games. Each final game being played by the teams which succeeded in winning the highest percentage in scores and in number of games won.

The highest percentage was won by the preparatory team, which won every game. The Sophomore team lost to the Juniors only on a very close margin, due to the fact perhaps that one of their players was taken sick and the team was weakened. However they were in the lead in percentage until the last preliminary game.

The Senior team was successful in winning over the Freshmen, al-

Base Ball Season Opens With Trinity

Easter Monday Game With Elon In Greensboro

The base ball season opens for Guilford March 25, when the Crimson and Gray squad journeys to Durham to battle with the Trinity nine. This game is followed by the annual Easter Monday game with Elon in Greensboro, March 28. The latter game will be the first opportunity for Guilford students to see their 1921 aggregation of horse-hide experts in action. Of the old players, Jim Newlin, Goat Cummings, J. G. Frazier, and J. C. Newlin will be at their accustomed spots. Much confidence is shown in the new recruits which Coach Doak is drilling in the use of the willow and the flying pill.

Steady practice has been maintained since March first and the entire team will be in the best of condition for the opening games.

Herman Shore will probably occupy the mound for the Quakers in the game with Trinity, with Hayworth receiving. Shore is remembered by all Guilfordians for his work on last year's twirling staff, while Hayworth although a new man comes with a good record in amateur and high school ball.

The infield will be picked from the following men: J. G. Frazier, Andrews, Wynn, J. W. Frazier, Stout, A. I. Newlin and Macon, while those in line for out-field positions are Cummings, J. C. Newlin, Kinney, Tate, and Clyde Shore.

The Young Women's Christian Association

Professor Dann Speaks

The Young Women's Christian Association was very glad to have as leader last Thursday evening, Professor Dann, who gave a very helpful and inspiring talk on following Christ through the church.

This message made each girl see more clearly the necessity of becoming a church member, and working for Christ through this organization. Mr. Dann first gave the relation of Christ and the Bible characters to the church. We find Jesus while very young going to the temple and synagogue. At this time he was recognized only as a conforming citizen but after his relation with John the Baptist it dawned upon him that he had a work to do. Jesus met with definite opposition in the synagogue.

The experience of Paul was practically the same as that of Jesus. Both were loyal and faithful attenders of the synagogue. But as soon as he got the new vision his attitude toward the synagogue changed. Many of our reformers such as, Wesley, Fox, Erasmus and others, have had worth not recognized until after their death.

The Church must not be accepted on its face value, nor because of its custom. Our life should not be moulded by the church but rather the church should be moulded by our lives. If we allow the organization to push the people instead of the people pushing the organization we will go backward instead of forward. The church is needing us and we must not stay outside because the whole of organized Christianity is not what the founders intended it to be or what we would like for it to be. Some people feel that they can stay outside the Church and live a Christian life. However they are robbing themselves the Church and live a Christian must come from the Church.

On the other hand there are many people in the Church who have accepted it and are trying to be a part of it rather than Christ. To get what Paul and Jesus got, do not accept the Church as it is mapped out, but have a keen spirit that sees into the Beyond. It is necessary to become a part of the organization which is pushing toward the mark of the highest calling, Jesus Christ.

WALLACE REID IN "WHAT'S
YOUR HURRY"

Movie Attraction For The Past Week

On Saturday evening, March 19, quite a large crowd witnessed the movie, "What's Your Hurry," featuring Wallace Reid. The story was one of love, daring and devotion to business, and drew quite a number of compliments from the audience. Instructive scenes of the Philippines were also shown.

Between the reels the audience was entertained by piano selections by Misses Florence Martin and Ruth Pearson.
