Guilford Loses Initial Grid Battle to Trinity's Blue Devils In Hard Fought Contest; 33-6

FRAZIER, WHITE AND WELBORN
STAR FOR GUILFORD; JOHNSON
AND FRANK TRINITY STARS

WHITE SCORES TOUCHDOWN

In a game featured by fast playing, the Quakers lost their initial game Saturday, to the Trinity Blue Devils in a hard fought contest. The final score stood 32 to 6. Although out played in the first half, the Quaker eleven came back in the final half with a punch and driving power that literally swept the Methodists off their feet. The spirit of the Guilford team was splendid, but the work of White and Frazier in the backfield was nothing short of brilliant, while Harrell again and time again opened up holes in the opposing line. But Guilford's good showing against the Methodists was not due to the efforts of any one man but to the team work of the team which by its stubborn stand held Trinity to three earned touchdowns.

CAPT. SMITH DOES NOT PLAY

A true comparison of the two teams cannot be made from the final score, for Guilford put Trinity in a scoring position several times by costly fumbles. Guilford made eight first downs while Trinity made 13. No doubt the score would have been more favorable had not "Block" Smith been out of the game with an injured shoulder. Captain Smith's services were missed but Welborn and Pate held down the flank position in a creditable manner.

TRINITY SCORES FIRST QUARTER

Trinity's first touch down came in the first quarter, when Johnson after a Guilford fumble carried the ball across the Guilford goal line. Caldwell booted successfully for the point after touchdown. The second touchdown came in the second quarter when Simons completed a beautiful pass from Frank and romped across after the ball had been brought down the field by a series of line plays by Johnson and Frank. Caldwell again kicked for the extra point.

GARRETT SUBS FOR FRANKS

Garrett was sent in for Franks and proved to be Trinity's best ground gainer although Frank and Johnson showed up nicely. In the latter part of this quarter Guilford was penalized several times for being offside. White, Guilford half-back, began to show up well after Guilford recovered the ball on an incomplete pass. Out-standing in this quarter was a 25-yard pass by Frazier to Welborn. In the third quarter Guilford was held for downs and the ball went over, and Trinity after a series of off-tackle plays, Troy carried the ball over upon completing a 20-yard pass. Caldwell failed to try for point after touchdown.

QUAKERS SCORE IN FOURTH

Guilford's touchdown came in the early part of the fourth quarter with the ball on Trinity's two-yard line Guilford was penalized five yards but White on a series of line plays crossed the Trinity's goal line. Point after touchdown was not made. Trinity scored her final touchdown on a series of line plunges by fresh men who were run in this quarter. The point after touchdown was not made. When the game ended Guilford's offensive was piercing Trinity's stone wall almost at will. The last substantial gain was made on a pass from Frazier to Welborn which was good for 35 yards

CONTRADICTIONS MAKE UP LIFE, CLAIMS WILSON

TRUTH FOUND ONLY IN COMBINATION OF ALL CREEDS AND PHILOSOPHIES

"The condition that confronts all intellectual persons today is that of contradictions," claimed Professor George P. Wilson as chapel Wednesday morning. "Life is made up of contradictions and paradoxes," he continued, "And the involuntary question is, how are you going to meet the issue. There are world questions which can never be solved in a lifetime, but there are other questions that can be solved individually."

A child comes early into a realization of this state of contradictions, when he meets the will of other people. And it continues when he grows to early manhood; there are contradictions in health, in codes of obedience and religions.

Teachers and preachers, who are supposed to know what is right disagree violently among themselves. Even teachers in the same university teach things absolutely opposite to that of their fellow instructors. The question topmost is, What is the Truth?

"There is a partial explanation for a solving of this problem," stated Professor Wilson. "No creed, no philosophy, no science has all the truth. If one did, it would be perfect, and there is nothing existent that is perfect. But there is a grain of truth in every philosophy, and a grain of truth in all creeds, otherwise they could not study. The great truth is like a combination of prismatic colors. Each creed has one truth or one color, each philosophy has another truth or color, and when they are all brought together they emerge into white, which may be called "the great truth."

"Your purpose as college students," continued Professor Wilson, "is not to decide between good and evil; if your home training has been all it should be, you can do this; but the purpose is to help you to judge between two goods, or several goods. A college education is to aid you in choosing your ideals, and help you form a philosophy that will not be disturbed."

"Make your philosophy," he closed, "a personal philosophy. Let it be a component result of that of your teachers, college life, social relations, plus the inner urge."

OAK RIDGE FALLS BEFORE GUILFORDS NET ARTISTS

The Guilford College tennis team defeated the Oak Ridge team in a practice match last Friday afternoon. Edward Holder trounced coach Cummings by a score of 3-6, 6-0, 6-1, while Joyce in a hard fought match won from Hackney by a score of 2-6, 6-2, 8-6. Burke easily defeated Cummings to a tune of 6-1, 6-4, and Brown lost to King in two sets, the score: 6-2, 2-6.

In the doubles Parker, a new man and Peele disposed of Cummings and Cummings in two sets while Griffin and Trotter both new men this year tied with King and Hackney. The match was called on account of darkness.

There are a number of new men out for a berth on the team and keen competition is in evidence.

QUAKERS PREPARING TO MEET "MOUNTAIN BEARS"

LENOIR-RHYNE GRIDIRON ARTISTS
TO MEET GUILFORD ON
HOME FIELD

The Quaker squad has resumed its daily practice in preparation for the Lenoir-Rhyne game on Saturday, October 11th. The team is encouraged by the showing made against Trinity Blue Devils, on Saturday the 4th. "The Quaker spirit moved"—Trinity will agree to that—and when it moved there developed a hole in the Blue Devil's "stonewall defense."

Coach Doak is correcting the weak points disclosed by the first game of the season and perfecting those that proved to be ground gainers.

Capt. "Block" Smith is expected to be able to return to his old position at right end. He was unable to play in the line-up against Trinity on account of a bruised shoulder. His return will greatly strengthen the line.

White and Frazier showed up brilliantly in the first game of the season. White fulfilled all expectations in his ability to plunge the line. His speed, and ability to find a hole in the line contributed much in Guilford's touchdown against Trinity. These two men are expected to continue "doing their stuff" in the game with the Lutherans.

Scout bits of news from the camp of the Lenoir-Rhyne "Mountain Bears" report a line with an average of about 200lbs. per man and a back field with an average of 170lbs. "The line," they say "is made up of grit and fight from end to end and the back field contains some of the best line plungers and broken field runners in the state."

But these rumors do not seem to start a panic in the camp of the Quakers. The boys seem to "keep cool with Coach Doak" and continue their daily practice.

CHORUS ORGANIZES WITH FRANK CASEY PRESIDENT

The College chorus organized two weeks ago under the leadership of Professor James Westley White, the vocal instructor. At the first meeting the following officers were elected: Frank Casey, president; Mildred Townsend, secretary and treasurer; Raymond Thomas, monitor. Professor White says the girls are responding to the organization enthusiastically, but he wishes to extend an urgent call for more boys.

Owing to the shortness of the time between now and Christmas, a Christmas cantata, "The Hope of the World," by Shnecker, will be given by the chorus.

Professor White reports that in the spring a more elaborate performance will be given. He has under his consideration "Chimes Normandy," an opera which will be given in costume and with action. If this opera is staged, Professor White thinks it will be one of the biggest things ever done by the college chorus.

THOMAS AND HOWELL JOINT LEADERS AT Y. M.

Raymond Thomas and James Howell were joint leaders in Y. M. C. A. meeting last Thursday evening.

The theme of Mr. Thomas' talk was "Christ Confidence in Men." Mr. Howell followed with an interesting discussion along the same line of thought. The meeting was also favored by short talks by Prof. Algia Newlin, Reverend Peele, Mr. Smith, Thomas Hadley and Russell Branson.

CAPT. CHAS. D. SMITH

The man who has played three years on Guilford's team. End is his position and when he starts down the field with the oval flying over his head, a completed pass is sure to follow. "Block's" good sportmanship, hard playing, and faithful service to the team has won the admiration and support of the entire team and student body.

P. T. A. STAGES HILARIOUS "OLD MAIDS CONVENTION"

All the Guilford students who were able to attend the "Old Maids Convention" last Saturday evening in Memorial hall (yes, boys went, too, and they were glad of the chance.) For the sake of disillusionment let it be explained that the "Old Maids Convention" was a highly entertaining play given by the ladies of the community for the benefit of the Parent-Teachers Association.

For pure fun and entertainment it was one of the best performances ever given by the Parent-Teachers Association. The plot was an humorous one concerning old maids who wish to become beautiful, and who, by either chemical or mechanical means, become so, with their every wish for beauty, talent and grace gratified.

The several ladies who took the parts of old maids made themselves such effective caricatures of the funny old maid joke, dressed in a heterogeneous mixture of old clothes, plumes and ribbons, that the audience shrieked with laughter. The entertainment was well worth the practice it must have taken the ladies to make themselves act so perfectly the part of the proverbial old maid.

Y. W. GIVES ENTERTAINING PAGEANT ON LAWN

The Y. W. C. A. presented a three-act pageant on the lawn, Thursday afternoon, at 4:15 o'clock.

The purpose of the pageant was to represent the work of the local Y. W., both as a social organization, planning-and-executing various picnics, hikes, and other social functions throughout the school year, and as a medium for personal service both on the campus and in foreign fields.

After the presentation of the pageant, the association adjourned for a social hour on the lawn.

J. GURNEY BRIGGS '11 TO DIRECT GLEE CLUB AND ORCHESTRA DURING 1924-25

CLUB PLANNING EXTENSIVE SCHEDULE; PROGRAM TO BE VARIED

The Guilford College Glee Club which last year received state-wide fame and won a large silver loving cup at the state meet is planning for even larger things this year. J. Gurney Briggs of High Point an alumnus of Guilford and a singer and conductor of much experience will direct the club. He will be assisted by Mr. Holder of the piano department of the college.

With a larger and more experienced club and a varied program the club is planning to entertain in many of the large cities of the state; also in a few selected high schools. The club will be supplemented by a twelve piece orchestra made up of experienced players. The orchestra also will be under the direction of Mr. Briggs.

Mr. Briggs, the director, graduated from Guilford in 1911. Since that time he has studied extensively and occupied many positions of note. He was conductor of choir and soloist of the Friends Church in High Point and was organist and conductor of the choir in Wesley Memorial church in the same city. For many years he conducted the choir of the Baptist of High Point and during the war served as song leader in the Y. M. C. A. At present Mr. Briggs conducts the choir at the West Market Street Methodist Church of Greensboro. Mr. Briggs married Hazel Harmon '12, also a singer of much beauty. Besides being a noted singer and organizer, Mr. Briggs plays three instruments, namely, saxophone, clarinet and trombone. Mr. Briggs is author of the Guilford College Alma Mater song. He has always assisted gladly in Guilford's musicales having sung tenor roles in the "Bohemian girl," "Faust," "Martha" and many other musicales.

The program of the year will be divided into three sections. The first part will be made up entirely of classical music. The second part will consist of popular songs, and the third part will be given over to feature work of some kind. In the novelty numbers various lighting effects will be used. Mr. Crutchfield of the Physics department will arrange these lighting schemes.

The schedule for the year has not been definitely arranged but it is certain that the club will play in High Point, Winston-Salem, Greensboro and Asheboro. Also a performance will probably be given at N. C. C. W. in Greensboro. A conquest of new territory will be made, for the club will take a week's trip into some distant part of the state.

There are six vacancies in the club. Those left by Glen Lassiter, Sam Harris, John Frazier, Marvin Shore, Clyde Shore and Joe White. To fill these vacancies, however, there are about twenty prospects. The old members who returned are as follows: Frank Crutchfield, John Reynolds, Frank Casey, John Cude, Vivian White, June Line-Back, James Joyce, Ralph Landis, Max Kendall, Reade Barbee, Edwin Brown and Edward Holder.

N. ENGLISH OF TRINITY ELECTED JUNIOR PRES.

Nereus English of Trinity was elected president of the Junior class at its first meeting of the year. John Cude of Colfax was elected secretary.

Guilford-Lenoir Game October 11th
