ALUMNI NOTES

April 4, about 1400 letters were sent out to graduates and old students of Guilford College and New Garden Boarding School by the acting president and secretary of the Alumni association giving a few news items and reminding Alumni that it is time to pay the annual fee of \$2.00. For the past two weeks almost every mail has brought a few replies, all of which have been heartily appreciated. Especially do we appreciate the replies of those who enclose with the check and ballot a bit of news about themselves or a good word for the college, the Alumni Association or the Guilfordian.

The following items are from letters which have been received:

From Ada M. Field ('98), Department of Home Economics, George Peabody College for Teachers, Nashville, Tenn.:

"Thank you very much for the "News Letter." It is a good thing. We like very much to hear the bits of news about what is being done at our "old home" and especially do we like to know about the improvements. We wish you all success in all the forward steps."

From Agnes King Hassler ('09),

Port Neches, Texas:

"Wish I could come for the Alumni meeting in June. It would be great to be at dear old Guilford a while and see friends and classmates. But I'm too far away. With all the joy of living in Texas being so far away from Guilford is about the most unpleasant thing. I enjoy the Guilfordian so much."

From Alice Dixon ('10), Berea College, Berea, Kentucky:

"I am enclosing my ballot and a check for two dollars to pay my fee for 1925-1926. I have decided to return to Berea for another year and hope to have the pleasure of reading the Guilfordian."

From Mrs. Annie Edgerton Williams, Guilford, N. C.:

"I am much interested in the proposition for creating the social center for boys at Archdale, and I am also interested in a place for the Y. W. C. A. room. Wish I could express my interest for both with substantial checks."

The names of B. N. Duke, 511 Fifth Avenue, New York, and John Anderson, 216 Union St., Schenectady, N. Y., have been added to the list of life members.

Mr. Duke entered New Garden Boarding School in 1871-72 and has always been a loyal supporter of the Boarding School and College. From time to time he has contributed liber-

PHILOMATHEANS DISCUSS PHASES OF COLLEGE LIFE

The program for the Philomathean Literary society on last Friday evening centered chiefly around college life. The first number, "College Life as a Sophomore," was given by Elma Jones. This was followed by a guitar solo by Doris Tew. "How it seems to be a Junior in college" was discussed by Lalah Cox. Edith Macon then spoke on "College Life from a Senior's point of view." Ethel Pamperin and Ethel Watkins closed the program with a humorous original dialogue on the "Lady of Shallot."

WEBS HEAR SPIRITED DEBATE ON AMENDMENT

The Websterians had a lively debate on April 17. The query was "Resolved that the 18th amendment to the Constitution of the United States should be repealed."

Thomas Hadley and Ernest Cude upheld the affirmative while William and Paul Swanson defended the negative. The speakers on the negative were last minute substitutes and had to make impromptu speeches. The affirmative speakers were prepared to put forth good argument. They clearly portrayed the enormous cost of enforcement and emphasized the practical impossibility of absolute prohibition. Mr. Cude made an appeal to the emotions on the plea of personal liberty. With these arguments they were able to win the decision of the judges. After this number Wilmer Steele entertained the society with some original jokes.

five minutes rebuttal. They finally compromised on twenty minutes with a five minutes rebuttal. Judges are now being chosen which will complete all details.

Russel Branson and Byron Hayworth will uphold the affirmative side of the question: "Resolved that Congress should be given power by constitutional amendment to enact a uniform marriage and divorce law for the United States."

Gilmer Sparger and James Howell will plead the negative side against the Lenoir-Rhyne debaters at Hickory. Kenneth Neese will accompany the negative debaters to Hickory as an alternate and Allison White will act as alternate for the home debaters.

Each team is preparing for a hard scrap. Lenoir-Rhyne defeated the Elon team at Hickory but lost at Elon.

HONOR AND JUSTICE

"The idea of a man of your size beating a poor weak woman like that!" chided the judge.

Prisoner—"But, your honor, she keeps irritating me all the time."

The Judge—"How does she irritate you?"

Prisoner—"Why, she keeps saying, 'Hit me! Beat me! Just hit me once, and I'll have you hauled up before that bald-headed reprobate of a judge, and see what he'll do with you.'"

Judge—"Discharged."

ally to the equipment and to the endowment.

John Anderson is a member of the class of '07. He is connected with the General Electric Company, Schenectady, N. Y., as assistant to the vice-president in charge of sales. Mr. Anderson is always interested in the advancement of the college and gladly responds to the financial needs of the institution.

A. K. Moore, of the A. K. Moore Realty Company, attended the Duke-Guilford baseball game last week. He was once a strong infielder on the Quaker nine.

William Futrell, who left Guilford in 1916, and who was catcher on the local team for a number of years was here Saturday. He is coaching the Jamestown club of the Guilford county baseball league this year.

Roger Kiser '19, who is farming near King, N. C., was a week end visitor at Guilford. He is a frequent visitor on the campus.
