EDITORIAL

It seems to be the invariable custom of every new administration to boast of its inabilities, its lack of experience, and so forth.

With this fact in mind, several have facetiously remarked that the new Guilfordian Board has much to boast about. No one is more aware of this fact than are we ourselves. It was unfortunate for the incoming officers that none of the upper classmen seemed to take any active interest in journalistic work. It was necessary, therefore, to elect the ones who had really made a conscientious effort to learn, both by hard work and by giving their time. When one does his best that is all a sane person asks of him, so if the Guilfordian readers will patiently bear with us we will, within a short time, edit a paper of which you need not be ashamed.

Barring a few schemes and ideas of our own, the Guilfordian will be changed very little from the past issues.

We have the interest of Guilford College at heart in getting out an issue of the Guilfordian. We are biased by no party, race or class. It is our intention to give everybody and every organization an equal and square deal. Before offering too much adverse criticism we would appreciate your advising us, first, concerning our mistakes. If the critic is justified and we do not remedy matters we will have nothing more to say, and no ones feelings will be hurt.

Let The Boom Die

The state papers insist that there is a distinct boom under way to get Mr. Garrity, former Wake Forest coach, to come to Chapel Hill and take charge of certain athletic teams here. There is even a strong undercurrent of such a desire evident upon the University campus.

But we have the statement of Dr. Chase that the University is not considering employing the former Princeton star. It is to the credit of the institution that such is true. Certainly the trustees of Wake Forest College would not have called its highly successful coach upon the carpet and brought about his resignation unless there were serious and grave charges against him.

It is to the everlasting glory of Wake Forest that such action was taken. Many rumors had spread over the State and South concerning the Baptist's phenomenal success in the athletic world while that college was being lauded on the sporting pages she was sinking in the respect of many of those whose respect she needed most.

Carolina has a great name in the realm of sports and can hardly afford to resort to the employment of coaches with doubtful reputations in order to win temporary fame in a sideline of the university activity.

GUILFORD COLLEGE BASKET-EERS TROUNCE DUKE AND WAKE FOREST

(Continued from page 1.)

of the listless playing of the Baptists in the first half and piled up a score that the Wake Forest team could never quite overtake.

Starting with a rush the Guilford players outplayed the Wake Forest players in every department of the game and the half ended with Guilford 16 points and Wake Forest 8. During the first half, the Quakers guarded so closely that the Wake Forest players were forced to shoot on the run and from positions from which the ball never travels accurately toward the goal.

Entering the second half with Guilford's big lead staring them in the face, Wake Forest team threw their whole strength into the game in an effort to win. But despite spectacular playing the large lead in the first half was too much for them to overtake.

Four minutes before the end Wake Forest tied the score but Ferrell looped a nice one putting the Guilford team 2 points ahead. The Wake Forest players added one more point making the final score 22-21.

The feature of the game was the shooting of R. Smith. He shot from all angles of the court, looping 8 points.

SALISBURY GAME

Starting out on a three day trip Thursday, the Guilford team was defeated by the Salisbury "Y." Thursday night, 31 to 25. The score at the end of the first half was 16 to 11 in Guilford's favor. The "Y" team was out-played in the first half, but during the second half Guilford could not find the basket and the weight and experience of the "Y" team soon told and the game ended 31 to 25, in favor of Salisbury. The team is composed of former college players who have had much experience.

LENOIR-RHYNE RALLIES

Fresh from victories over Wake Forest and Duke, the Guilford team struck a snag when it met Lenoir-Rhyne. The Quakers started off in their usual style and the half ended 10 to 6 in their favor. Owing to the close guarding of the Lenoir-Rhyne team the Quakers made only two points during the last half. Spectacular shooting by Narriker and Moose put the Lenoir-Rhyne team ahead toward the end of the game. It was a wonderful comeback for Lenoir-Rhyne after being out played in the first half. Guilford tried desperately to stave off defeat taking numerous long shots but could not muster but could not hit the basket with any consistency.

Ferrell was the star for Guilford, while Moose, Hodge and Narricker were best players for Lenoir-Rhyne.

Despite the fact that Guilford got beat she put up the best defense ever seen at Lenoir-Rhyne. It was only the inability of the Quaker forwards to get started that Guilford lost.

At Davidson the Guilford team put up a stiff fight but lost to the Davidson Wildcats Saturday night. Playing their best game of the season, Davidson won 38 to 23. According to reports from Davidson, the Guilford team was one of the finest seen at Davidson this year. Although never in the lead Guilford was in the fight throughout.

The first few minutes of play saw Davidson leading 5 to 3. By starting a fast offense the Davidson team led at the end of the first half by 12 points.

Guilford could not get started during the first half and showed the effects of 4 games in the last 5 days.

At the beginning of the second half the Quakers took on new life and led by Captain Smith, they put up a fight to overcome Davidsons lead. Playing on equal terms with Davidson during the last half Guilford threatened the lead time after time.

Anderson was the star of the game scoring 17 points. The two captains and Moore, the Guilford Center all showed excellent form.
