Character

Where the Faculty Will Spend Christmas

The faculty and student body of Guilford College left Tuesday, December 21, at eleven-thirty o'clock to spend the Christmas holidays at their various homes. School opens again January 4th at one-fifteen o'clock. Practically all the student body are spending the vacation at their homes except those from other states. Several of the faculty will remain on the campus while the others have planned a more extensive program.

President Raymond Binford will spend the time at home and in his office, trying to get caught up with his office work while no one is around to bother him.

Dr. Charles Ott, head of the chemistry department, will also remain at the college. He expects to work around the chemistry lab, getting bottles, etc., straightened out for another half year's work.

Miss Maude Gainey will spend most of her time at 315 Dick street, Fayetteville, N. C., where she hopes she will not have to be bothered with collecting money.

Madame Hoffmann has decided to forget all about teaching French and Spanish for two weeks. After she gets caught up with her exam papers she expects to go to Pinehurst to play golf.

Miss Laura Worth will spend Christmas day at a family gathering at the home of D. Ralph Parker, in High Point. From there she will go to attend the marriage of her cousin, Miss Phebe Worth, at Mt. Airy. The rest of the time she will be at her home in Guilford College.

Prof. and Mrs. Milton Davis will spend the vacation at Guilford where they will entertain Mrs. Davis's parents for a few days.

Miss Bertha Yocum, head of the music department, is going to Philadelphia where she will hear grand opera and church music.

Miss Catherine Riicks, librarian, will attend a family gathering at her home at 1149 West Avenue, Franklin, Virginia.

Prof. Hill Turner will remain at the college during the entire vacation.

Professor J. Franklin Davis will leave Tuesday or Wednesday to spend a few days with his daughter, Mrs. McArthur, at Aberdeen. From there he will go to "The Oaks," the farm of his son Henry, where "he will seek the greatest luxury of the season of sitting by an open fire these cold days and long winter evenings."

Miss Era Lasley, registrar, will be at her home at Guilford College most of the time. She will spend part of the time in her office working on next semester's program.

Prof. D. Riley Haworth will spend part of his time at his old home in Eastern Tennessee. He is not yet sure as to the limit of his traveling before January 4th.

Prof. H. T. Tinsley hopes to go on two or three bloodless hunting expeditions. The remainder of the time he will grade term papers and do some historical research work.

Miss Gladys Tapley will spend her vacation at Washington, D. C., where she will not be bothered with enforcing college rules and regulations.

Prof. P. Evans Coleman will spend part of his time at Pinehurst golfing and horse-back riding. After that he will be at Guilford, writing and doing business research.

Miss Eva Campbell will go to her home in Dayton, Ohio.

Miss Minnie Kopf will stay at Guilford.

Dr. Elwood C. Perisho will spend most of his time on a lecture tour through North Carolina.

The remainder of the faculty have not made their vacation plans known.

Knowledge and timber should not be used until they are seasoned.

Y. W. HOLDS BAZAAR AT NEW GARDEN HALL

The annual bazaar of the Y. W. C. A. was held in the dining room of New Garden Hall, Friday night at eight o'clock.

The hall was decorated with cedar and crepe paper. Booths containing various novelties were constructed along the walls, while the center space was filled with tables where ever changing groups of students bought ice cream, persimmon pudding, and coffee which was served by members of the Baby Cabinet.

When the ten o'clock bell rang the "eats" were gone, the novelties had disappeared, and—the bazaar had proven successful.

COUNTY CLUBS FORMED AND BEGIN PROMOTION EFFORT
(Continued from Page One)

combined to make the "All Eastern and All Western Club." The representatives from the different states, California, New Jersey, New York, Penn., South Carolina, Florida, Virginia, Michigan and Indiana formed a United States club. The officers from these organizations were elected as follows:

All Eastern, Scott Benton, President; All Western, Moore Rabb, President; United States Club, Turner Moon, President.

DR. PERISHO GIVES DATA ON GUILFORD
(Continued from Page One)

lina, the first of its kind ever held in this state, met here and formed an intercollegiate oratorical and debating league. Very recently Guilford has been admitted to the Southern Association of Colleges and Universities, "which means that we are now as good as any of them."

If the county clubs will cooperate with full confidence in their capacities, they will do much to make a greater Guilford College on this campus.

HOW HE WAS TACKLED

He made a run around the end,
Was tackled from the rear;
The right guard sat upon his neck,
The fullback on his ear,
The center sat upon his legs,
Two ends sat on his chest,
The quarter and halfback then
Sat down on him to rest.
The leftguard sat upon his head,
A tackle on his face,
The coroner was then called in
To sit upon his case.

Football is a wonderful game,
Gain a yard and lose a-foot!
(—Lessem.)

Ananias Not So Many

In the corner grocery store at Advance, N. C., one day a young farmer said that his colt had beaten the local train from Mocksville to town. Another essayed to boast about his own nag:

"Some time ago," said he, with an impressive air, "I was five miles from shelter when a storm came up. Jumping on my horse I started for home on a gallop, and during the last two miles the roan raced the shower so fast that I didn't feel a drop of rain."

"Easy to account for that," put in a doubtful one; "maybe the storm wasn't close to you?"

"Wasn't close to me!" exclaimed the other. "Well, I should say it was! Only 20 yards behind me was my dog, and he had to swim all the way."

Excused!

Teacher: "What does the prefix 'mag' mean?"

Student: "Big."

Teacher: "Well, give me a word containing this stem and use it in a sentence."

Student: "I like magpies."—Ex.
