Young Friends Will Meet at Guilford Next August

IN JOINT MEETING

The All-Eastern Young Friends
Conference Includes Eight
Yearly Meetings

SESSION LASTS SIX DAYS

Charles Coble Just Returned From Com-
mittee Meeting in
Philadelphia

For the first time in the history of the North Carolina Yearly Meeting of Friends the All Eastern Young Friends Conference will be held at Guilford College August 8th to 14th. The North Carolina Conference will be joined with the Eastern Conference into one big convention including the following yearly meetings: New England, North Carolina, New York, Baltimore, Pennsylvania, Tennessee, Maryland, and Virginia. The Canada and Ohio Yearly Meetings, although not members will be invited to attend.

Charles Coble, president of the Young Friends' Activities in North Carolina, has just returned from a committee meeting in Philadelphia, and while there was instrumental in bringing the conference to Guilford. This committee which met in Philadelphia worked out many of the details of the conference and appointed all the important committees.

The theme of the convention will be "Quaker Youth and Problems of Today." The big purpose of the gathering is to create a still greater spirit of unity and harmony among the younger Friends of the North and South. There will probably be five classes taught which broadly speaking are as follows: Religion and Science, Race Relations, Peace Relations, Industrial Problems, and Quakerism.

The officers for the conference were elected as follows: Howard Yarnell, chairman; Charles Coble, vice-chairman; Elizabeth Biddle, secretary; Scott Parker, treasurer. On the program committee are, Rebecca Biddle, Frances Osborne, Edith Hill Hendricks, Lindsley Noble, Curtis Newlin, Mary Wright, and Louis Moon. Byron Haworth, field secretary for North Carolina will be in charge of the general arrangements for the conference.

The Guilford College officials have announced that they will cooperate in every way possible to make the convention a successful one. Over one hundred delegates are expected to attend from out of the state and North Carolina expects to have a good two hundred making the total attendance during the conference 300.

JUNIOR CLASS ELECTS HAWORTH PRESIDENT

Succeeds Waldo Williams Who Was
Elected Last Fall—Aline Hassell
New Secretary

At the regular meeting of the Senior class Tuesday evening, February 8, the class discussed what should be their gift to the college this spring. Several suggestions were made but nothing definite was decided upon. Also a committee was appointed to begin the preparation for the class day program.

The class elected the following officers for the spring term: President, Sidney Winslow; Vice-President, Charlie Friddle; Secretary, Anna Mae Newlin; Treasurer, Ruth Malpass; Marshal, Raymond Ebert.

Two College Students Hold National Offices

The Guilford College representatives to the state Y. M. C. A. Convention held at Greensboro February 8th, were both elected to offices on the National Y. M. C. A. Council. Byron Haworth of Burlington and a junior at Guilford College, was elected as a student representative from North Carolina on the national council, and is one of the three members from North Carolina. The election to this office entitles him to a trip to Chicago in October with all his expenses paid.

Thomas Hadley, of Graham, also a student at Guilford, was elected a member of the national committee on vacancies and finance.

PEACE OR WAR TOPIC BARNES' CHAPEL TALK

Economic Competition Usually the
Outstanding Cause of Nations
Disputes

WORLD WAR CAUSE DIVIDED

In beginning his lecture on war and peace Wednesday morning, Dr. Barnes spoke of the work and attitude of the society of Friends. They have had a very active part in reforming criminals and in dealing humanely with them.

In discussing war he said "Everybody is guilty or nobody is guilty, and the causes are usually economic competition or secret diplomacy. We will have wars as long as there are people to kill and you can't end war by punishing a state or group of states. It is necessary to recognize that there is no hope for peace until the causes are removed.

Dr. Barnes continued by saying that no one group was responsible for the World War in 1914, but, that the responsibility was divided.

Servia, France, and Russia wanted war and worked for it. Germany, Italy and England did not want it. Also Hungary had no desire to engage in war, but was very badly treated.

In closing the speaker said that the World War was disastrous in its effect on national limits and destroyed humanity.

STORY OF PETROLEUM IN PARAMOUNT MOVIE

Without Either Blonde or Brunette.
The Plot Concerned Not the
Matrimony Art

FILMED BY U. S. MINE BUREAU

The Guilford students, faculty, and people of the community were entertained by a movie given by the Chemistry Club last Thursday evening.

The picture was entitled, "The Story of Petroleum." Many interesting facts were revealed that proved that the product, petroleum, has a great deal of history that most people don't have enough knowledge of to appreciate. It was educational and interesting to both scientists and others.

The Chemistry Club was able to give these most interesting facts to the public by the help of the Experiment Station of the United States Bureau of Mines.

PROFESSOR TINSLEY SPEAKS ON LINCOLN

Relates Vividly Many Incidents
in the Life History of This
Remarkable Man

HONESTY IS EMPHASIZED

Professor Tinsley, head of the History department, spoke in chapel Friday morning on Abraham Lincoln.

Abraham Lincoln was born in Hardy county, Kentucky, February 12, 1809, to the parents of Thomas Lincoln and Nancy Hanks. He was born of very poor parents and being ambitious he had to struggle all his life for an education and secured in all, less than a year of schooling. When 19 years of age he went to New Orleans with a cargo and saw there his first slavery treatment, which stirred him much, and beginning his practice in law, he won many cases for the slave owners.

In 1832 he was captain in the Mohawk war for ten weeks. Ten years later, in 1843, he married Mary Todd. Later he was elected to the legislature where he gained much fame and in 1860 was elected President of the United States. Here he found himself entangled in the civil war. He was opposed to slavery but his sole object was to save the union. He was denounced and renounced by his friends for the steps he took in the war.

Mr. Tinsley gave the striking instance of the Gettysburg Address, reading in Lincoln's tone of voice the address which Lincoln thought was a complete failure until later he heard expressed that it was a wonderful speech and had much influence on the many people who heard it.

"Many volumes have been written of Lincoln," said Mr. Tinsley. "John Drinkwater, an Englishman, has written a book entitled 'Abraham Lincoln' from which a reel has been taken that has (Continued on Page Two)

MR. TURNER PICTURES STREET IN HOLY CITY

Diversified Population Characterizes
Jerusalem, the Birthplace of Many
Religions

PALESTINE BOTH OLD AND NEW

Prof. F. Hill Turner spoke in chapel here last Monday morning on "A Trip Down Main Street in Jerusalem."

Jerusalem is a city with a diversified population and the birthplace of many religions. Thus, one can see the Jew, the Mohammedan, the Christian, the Moslem Woman, and the Greek Priest all plodding along the same street.

The Jews in Jerusalem are divided into several groups. These include the orthodox Jew, who dresses in the same garb and wears long hair just as he did centuries ago; the Spanish Jew, the most aristocratic in the Jewish world; the Polish Jew; the Russian Jew; and the American Jew. The American Jew deserves special mention because he goes back to the Holy City with money and initiative to get things done. There is also a group in Jerusalem known as Zionists, who believe that some day there will be a kingdom of the Jews in Palestine.

All the Christian churches have missionaries in the Holy Land, while practically all the different denominations and creeds have built temples and monuments on every available plot of land.

"It is a combination of these things, the Old and the New, which makes Palestine one of the most interesting and entertaining spots in the world," said Mr. Turner.

MISS FRANCES OSBORNE

Frances Osborne, Guilford's most talented co-ed. Associate editor of the Guilfordian and managing editor of the Quaker.

N. C. Y. M. SECRETARY WILSON SMITH SPEAKS

Gave Answer to Rupert Hughes' Recent Magazine Article on Christianity

DOCTRINE OF MORE HAPPINESS

Mr. J. Wilson Smith, the North Carolina state secretary of the Young Men's Christian Association spoke to the students in chapel Thursday morning. Mr. Smith's speech was mainly an answer to an article written by Rupert Hughes which appeared in a recent magazine in which Mr. Hughes criticized reasons why he believed Christianity to hold more peace and happiness for the human race than any other form of doctrine.

1. Christianity has the only sound, reasonable program in the realm of morals. And, until someone offers a better program, we shall hold Christian ideals as our definite goal.

2. Christianity has the only sound, satisfactory answer to sorrow. "To whom shall we go in this hour," said he, "if not to Christ?"

3. Christianity has the power to transform life. Many souls have been saved by this powerful quality of Christianity.

4. Christianity creates in the heart of the believer an earnest desire to spread it, to propagate it.

In conclusion Mr. Smith said, "The student today who misses this wonderful chance of upholding Christianity is missing the greatest thing that will ever come his way."

SOUTH FORK MEETING HEARS PERISHO SPEAK

Told of Recent Achievements of College and Future Plans Already Outlined

GAVE SECOND SPEECH AFTERNOON

Dr. Elwood C. Perisho returned Sunday evening from a trip to Alamance county where he spoke before the Western Quarterly Meeting which met in the new church at South Fork Saturday afternoon and Sunday morning. He talked to a crowded house concerning the recent achievements of Guilford College and of her future plans as outlined by President Binford. Saturday afternoon, following a big picnic dinner Dr. Perisho was requested to give an educational address. Dr. Perisho managed to bring two boxes of food from the picnic table back to Guilford which he distributed among the students here from the Western Quarterly Meeting.

Sunday morning he talked to the Graham Young Men's Bible Class and spoke at the Graham Friends Meeting at the eleven o'clock service.

GUILFORD DEFEATED IN THREE CONTESTS OF RECENT SERIES

Davidson Wins 65-27 in One-Sided Fray—Lenoir-Rhyne and Salisbury Y Win

MOORE IS THE ONLY STAR

Quint Plays Best Against Salisbury Y. Lenoir-Rhyne Doubles the Score on Invincible Quaker Moralists

The Davidson Wildcats swamped Guilford last Thursday night by the lopsided score of 65 to 27.

The Wildcats got off to an early lead and experienced no difficulty in staying ahead all during the game. The score at the half was 29 to 8.

The Wildcats' team-work was very good while the Quakers' team work was very bad. Davidson used several substitutes in the second half and Guilford speeded up their offense.

R. Calhoun and Harrison led the attack for Davidson with Captain Anderson doing some finished playing. Calhoun rang up 19 points and was high scorer for the evening. Harrison scored 14 points.

For Guilford Moore was the most effective player. Moore scored 12 points and his defense was very good.

Lineup:
Guilford (27) Davidson (65)
Pamperin (4) Anderson (10)
Moore (12) Wilson (8)
Griffin (4) R. Calhoun (19)
Marshall (2) Harrison (14)
Tew (2) Simpson (6)
Substitutes: Guilford — Yelverton, Smith, 3; Coble, 2; Ayers; Davidson—O'Shiek, McColgan, 2; D. Calhoun, Crawford, McAuly, 6.

LENOIR-RHYNE GAME

The Lenoir-Rhyne college basketball team defeated Guilford last Friday in a very poorly played game by the score of 28 to 14.

Guilford kept pace for almost the first half but lagged behind to allow Lenoir-Rhyne to win.

It was a slow, non-interesting game with neither team doing anything spectacular. Poor passing coupled with inability to shoot accounts for Guilford's loss.

Kaiser, Lenoir-Rhyne forward, was high scorer of the game with ten points. The whole Guilford team played equally as well or poorly.

Lineup:
Guilford (14) Lenoir-Rhyne (28)
Pamperin (4) Hodge (2)
Griffin (3) Kaiser (10)
Moore (2) Hood (7)
Marshall (2) Overcash (7)
Tew (1) Spurlock
Substitutes: Lenoir-Rhyne — Pasour, Harper (3).

SALISBURY "Y" WINS

The Guilford basketball team took a new lease on life Saturday night at (Continued on Page Two)

SENIOR CLASS ELECTS NEW TERM OFFICERS

Sidney Winslow, Belvedere, N. C., Becomes President—Anna Mae Newlin Secretary

At a called meeting of the Junior class last week the following officers were elected to serve during the Spring term:

President, Byron Haworth; Vice-president, Paul Reynolds, Secretary, Alma Hassell; Assistant Secretary, Doris Joyner; Treasurer, Sudie Cox; Marshals, Evelyn Braxton, and Glenn Boose.
