## POST-SEASON GAME WITH "Y" MEN WON

Greensboro "Y" Team Yields Its Early Lead to Quaker Victory of 27-18

### MOORE IS HIGH SCORER

Last Tuesday evening in the wood-box the Quaker five smothered the Greensboro aggregation with a 27-18 victory, avenging the previous defeat suffered at the hands of the Y quint.

The visitors started off with a rush, and when the smoke cleared, the score stood 8-2 favoring the Y. They maintained their lead through the first half, which ended 15-12.

The Y quint succeeded in securing only three points in the last period, while the Quakers shot from every angle. At the last of the second half, the game became a rough and tumble affair, which was much enjoyed by all present.

Moore led the Quaker scoring with ten points. Woodward was high scorer for the Y, chalking up 7.

PAUL COLTRANE

Paul is a product of Guilford High School. He was a member of that team when they won the western championship. This is Paul's third season with the Fighting Quakers, and he has been getting better every year. Last year he served the squad as captain. His skill at running guard, and his accuracy at sinking long ones has been the deciding factor in bringing home more than one string of bacon.

ELVIN HAWORTH

Elvin, or "Freshman," as he is called, hails from Indiana and bears the distinction of being the only freshman on the team. He also holds two records, one of being high score man and the other of having played the most times during games. His ability as both an offensive and defensive player had no small part in the smooth working of the team. Next year he should be one of the mainstays on the squad.

GEORGE A. YELVERTON

George is also known as "Two Pint." One referee also identified him as "The little fellow who came in last." George has been playing on the Guilford five for two seasons, and with a little more experience he should become one of the outstanding guards on the squad. He has played in most of the games this season and will probably do even better next year.

## WOMEN'S BASKETBALL TOURNAMENT BEGINS

Only Seniors Have Definitely Chosen Team But All Classes Have Been Hard at Work for Some Time

### LAURA BALLINGER IS MANAGER

The girls' basketball tournament will take place in the gym on Wednesday and Thursday, March 15 and 16. The choosing of class teams has not been quite completed, but much practicing has been done by all four classes. Night practices are especially in vogue for the first time within the history of the college. The class captains are: Seniors, Jinnette; Juniors, Ragsdale; Sophomores, Stephens; Freshmen, Guthrie.

The game schedule is as follows: Wednesday, March 14: Seniors vs. Sophomores, 4:15-4:25; Juniors vs. Freshmen, 4:25-4:35; Seniors vs. Sophomores, 4:35-4:45; Juniors vs. Freshmen, 4:45-4:55.

Thursday—March 15: Seniors vs. Sophomores, 7:00-7:10; Juniors vs. Freshmen, 7:10-7:20; Seniors vs. Sophomores, 7:20-7:30; Juniors vs. Freshmen, 7:30-7:40.

Friday, March 16: Finals, same schedule as above.

### NOTICE

The editor has been requested by the president of the Junior class at N. C. C. W., to announce that flowers will not be required at the Junior-Senior banquet, which will be held there in the near future.

Back Those Who Back Us

ROBERT B. GRIFFIN

Bob has been on the basketball squad for four years now. He is rather small, and his presence is bothersome, especially to the opposing team. His specialty is breaking up passes, and making them count as points. Bob is the only member of the team to graduate this spring. The Fighting Quakers will certainly miss Bob's fight and scrapping next season.

## PROMISING OUTLOOK FOR TRACK SEASON

Pate and Coble, Big Men of Last Year, and Six Letter Men Working With Many Others

### FIVE MEETS ARE PLANNED

Present indications are that this will be the most successful track season Guilford has ever enjoyed. For several years interest in this sport remained at a very low ebb, but last year Dr. Ott created a new interest, which is still growing. Last spring the team made a very creditable showing for its first year. Two of the men, Pate and Coble, placed in the state meet in Greensboro. Both these men, along with six other letter men, are back. They will probably perform as follows: S. Moore, dashes; Coble and R. Ayers, mile and two miles; E. Moore, shot and discus; Smith, javelin; Holt, half mile and discus; Chandler, hurdles.

It is probable that Ragan, who was a member of the Earlham track squad last season, will be eligible. There are also several men who gained experience in the cross-country runs last fall.

From 20 to 25 men, or about three times as many as last year, report three afternoons a week for regular workouts. There are several promising candidates among this group.

The plans for the inter-class meet are already under way. Each of the classes has elected a representative to help Dr. Ott make a successful meet. Ribbons are to be awarded the individuals finishing in the first three places in each event. The class which wins the meet will have the points applied to the contest for the inter-class athletic championship.

Interest in the meet is running high and there is much speculation as to the result.

Following is a complete schedule:  
Inter-class, March 24.  
Catawba (here), April 4.  
High Point (here), April 21.  
State meet, May 4 and 5.  
Catawba (there), May 12.

## HIGH SCHOOL TROUPE GIVES CONCERT HERE

Program Is Enthusiastically Received; String Quartette Outstanding Number of the Evening

### MILLER DIRECTS FOR EVENING

March 5.—The 70-piece orchestra of the Greensboro High School presented an extensive program before a large audience in Memorial Hall, Monday night.

For the first group of music the players were arranged as an orchestra; after the intermission they seated themselves in the formation of a band and played band music. Between the two groups Miss Imogene Boyle, teacher of violin in the Greensboro Schools, directed a string quartette which played "Air," by Ponchon. This was the outstanding success of the evening. The audience received it most enthusiastically.
