Guilford Wins Eighth Inning Victory Over Ancient Rivals

ELON TURNED BACK AFTER SCORING 4 IN OPENING FRAME

Quaker Baseball Team Knocks Out 18 Hits to Pull Into Lead at the Last.

DURHAM IS STAR OF GAME

Ace Twirler Goes in Box With His Team Trailing by Four Runs and Produces Win.

The Crimson and Gray was waving high over Guilford last Saturday night; the Quaker baseball team had pulled out of a terrific hole, fought Elon on even terms, and rallied in the eighth to win the game over their traditional rivals, 12-10, on the Guilford field.

It was the steady twirling of Bill Durham, former of 13 men, coupled with 18 hits in the latter part of the game that ruined the contest for the Christians.

Durham Hits Well

Besides striking out a baker's dozen, Durham hit a single, a double, a triple and got a two-bagger on errors out of four trips to the plate.

Elon started out to put the game away, blasting Pierce from the box with a homer by the second man up and runs by the next three. Then Durham came in and held them fairly well, though they scored in every frame but the fourth and last two.

Fifth Frame Guilford's

It was the fifth inning that gave the Guilford followers a glimmer of hope for the first time. The score stood 9-3 and Davis struck out. Griffin, Webster and Finch, hit, scoring Griffin. Pratt got a blow, scoring Webster. Finch came home on a peg to second when Pratt stole. Cable hit, scoring Pratt, and Satterfield hit safely. Durham came up and cleaned the bases with a long three-bagger and the score was tied, 9-9.

At the first of the eighth the count was 10-9 and Durham went up to make a double on the left fielder's error. Martin hit and Durham tied the score. Davis bunted safely, Webster and Finch walked, filling the bases. Pratt got a bingle, scoring Davis and Webster, and the game was won.

Durham struck out the last three Elon men.

DUKE NINE WINS OVER GUILFORD TEAM, 8-0

Bob Coombs Leads Blue Devils by Spectacular Hurling, Giving Quakers Three Bingles.

In a game featured by the three-hit pitching of Bobby Coombs, the Duke Blue Devils defeated the Quakers 8 to 0. It was a case of too much Coombs as 14 of the Quakers died by the strikcout route. Two of the three Quaker hits were of the straight variety, the only clean hit being a double by Finch.

Durham for the Quakers hurled an excellent game and deserved a better fate, as he scattered nine hits.

For Guilford the defensive work of Bunn was outstanding. Mitchell, with a home run and a single, and Gadd, with two sharp singles, led the hitting.

Co-eds Busily Prepare for May Day Exercises Tennis, Baseball, and Volley Ball Is in Vogue

The head of the physical education department discloses the startling fact that the surprising gracefulness of the girls since the Spring holidays is due to the fact that the May Day dances are now being featured twice a week in the gymnasium. This is the first May Day festival here to be carried out with a modern theme instead of a Grecian or Roman one. The May Day program to be held May 2 at 6 p. m. will consist of solo dances, group dances, special feature dances, and the May-pole dance.

Turning to sports, we find that baseball has now begun and that many freshmen were startled when they learned that a "fly" was not an insect. Captains and regular teams will be chosen soon and then the inter-class contests will take place. Volleyball will make its debut for the season next week, and for several successive weeks will prove to be one of the minor sports of the girls. For several weeks tennis practices have been progressing and in May the elimination contest will be held to determine the school champion.

Sports Card for Next Two Weeks

BOB JAMIESON ONLY FOUR LETTER ATHLETE

Number of Other Men Outstanding in the Various Sports—Love, Bunn, Haworth.

CHISHOLM HAS MOST MONOGRAMS

Bob Jamieson, the only four letter man on the campus, is probably the outstanding all-around athlete at Guilford, though there are a number of other men who have made good records in the various sports.

Dillard Chisholm, captain of this year's baseball team, has the largest number of certificates. Chisholm has won four letters in football at halfback, four as a basketball guard, and three in baseball.

Jimmy Bunn, scintillating halfback on the football team, has made four monograms for football and four in baseball. He was alternate captain of the grid team last fall.

Last year's football captain, John Love, played first string and for four years, being mentioned for all-star honors every year after his freshman season. He missed starting just one game, his first, during all four years.

Elvin Haworth, star in three sports and captain of the basketball team last winter, also is deserving of note. He was rated one of the best football ends in the conference last fall, led the loop in scoring during the basketball season and last spring he won the 100-yard dash in the championship track meet as well as being an extraordinary field man and hurdler.

Millner and Weston Play for Place

The tennis team so far this season has been made up of five men but the games with Roanoke and V. P. I. call for a six-man team and Howard Millner and Weston played a match this week to decide which should be the sixth member of the squad. Both are good players, but neither is eligible for conference competition.

BRAXTON AND LINDLEY STARS

The Guilford tennis team composed of Braxton, Parsons, Charles Milner, Johnnie Williams, and Lindley listed in order of the ranking position played one match last week, winning over Appalachian 7-0, here. These men are the present North State Conference champions.

They lost their first meet at Catawba by a score of 4-3. Braxton and Lindley won their respective singles. Parsons and Williams won their doubles. On the following day, April 6th they took revenge at the expense of the Lenoir-Rhyne netters by the count of 7-0.

Braxton and Lindley were outstanding in the clean sweep that the Guilford netmen made over Appalachian last Friday. Sawyer was the star player for the visitors.

Braxton won over Dula, 6-1, 6-1; Parsons over Norris, 8-6, 6-4; Milner over Sawyer, 7-5, 6-1; Williams over Alexander, 7-5, 6-1; and Lindley over Wilson, 6-2, 6-0 to complete the singles victory.

In the doubles Parsons and Williams defeated Sawyer and Norris, 6-3, 8-6, and Braxton and Milner took Dula and Alexander, 9-7 and 6-0.

BASEBALL TEAM HAS CHISHOLM AGAIN SOON

It will be good news to all Guilford athletic fans to know that Captain Dillard Chisholm of the baseball team will be getting back in the game within a week or so. Chisholm has been laid up practically all the season so far with rheumatism in one leg.

Chisholm played first base for two seasons but has been in the outfield lately. Coach Anderson will probably use him in centerfield. He is a senior, this being his fourth year of baseball at Guilford.

GUILFORD COACH

Coach John Anderson has so far this season produced two teams that came very close to being championship combinations. His football team lost only once in the conference and his basketball team finished second, having the highest score of any team in the conference. It looks as though he now has a loop-beating baseball team.

BASEBALL TEAM HAS SUCCESSFUL TRIP SOUTH

Split With Lenoir-Rhyne and Win Two Out of Three at Parris Island.

DURHAM, GRIFFIN PITCH WELL

The Guilford College Quakers enjoyed a successful baseball trip during the Easter holidays by winning three of five games played. Two games with Lenoir-Rhyne were split as the Bears won the first 8-7 and the Quakers won the second 4-3.

Griffin and Durham were the winning hurlers as the fighting Quakers captured two of three games from the strong Parris Island Marine team. The Marines could only gather six hits off the left-handed slants of Griffin, while Durham limited them to nine scattered blows in the third game, which the Quakers won 5-3. The Marines took the Quakers over 10-4 in the second game, while the first went to Guilford by the score of 7-5.

QUAKES

By Ira Cholerton

The baseball season has now gotten well under way for the Quaker squad and it has acquitted itself very commendably in the games that have been played thus far. The baseball club has a high reputation to live up to and every man on the squad is fighting hard to make this season one of the best. Durham, freshman pitcher, has been coming through with some fine work on the mound will give our opponents a plenty of trouble this spring.

TRACK TEAM BEATS LYNCHBURG BOYS

Win and Lose in Virginia Contests—William and Mary Defeats.

MORE TILT'S PROBABLE

The track team, scheduled to meet Lynchburg here Monday, won one and lost the other of its first two contests this season. They handed the Lynchburg Hornets a surprise by defeating them 64½ to 61½ in Lynchburg, something which had not been done before.

Their loss to William and Mary, 103½ to 22½, was expected, the discrepancy in size of the two schools being taken into consideration.

Captain Newlin took first in the two miles, as has come to be the usual procedure, and Turner tied for first place in the broad jump.

Siehol, a new man this season, won the shot and Biddle and Bridger got eight points for tying in the high jump.

While the William and Mary meet was of course another story altogether, Singletary took one of his firsts again, running a 52-second quarter on a soft track in the rain. This was the only first that the Quakers took.

Due to the fact that many of the schools in the North State conference had abandoned track this season and to various other reasons, only the three dual meets have been scheduled to date. Coach Shepard has hopes of getting others, however.

The Guilford team will enter the state inter-collegiate track meet at Chapel Hill May 6.
