MANGEL'S slips and smart collegiate clothes. It's the foundation that really counts whether you're talking of a house, an education or just a dress. And MANGEL'S slips are made to afford a perfect foundation to whatever type of clothes you wear.

Look over MANGEL'S slips and you find the type that can be worn without a bra even under the snuggest fitting sweater. The kind that doesn't show the merest whisper of a line under the snootiest fitting party frock. Whether you're lean or pleasingly plump you'll find slips here that only accentuate your good points. And better still they are beautifully made with seams that won't rip even in casual college laundering.
