IN CLOSE BATTLE

Christians Make It Two Straight Over Guilford

Game Is Spotted by Numerous Errors by Both Elon and the Quakers.

ABBITT LEADING HITTER

Game in Greensboro on Easter Monday Will Provide Much Action for Spectators.

Last Wednesday afternoon Elon de feated Guilford by the score of 6-4 on the Burlington baseball diamond. The batteries were: for Guilford, Boyles and Boles; for Elon, Shelton and Fuller. These boys are looked upon as the best in the conference in their respective

Elon scored one run in the second Elon scored one run in the second half of the first inning, while Guilford did not score until their half of the second, to tie the score. Elon again scored in their half of the fourth, and Guilford retaliated with two to tie the score once more of three-all. The pitchers they mut on the pressure which kent. ers then put on the pressure, which kept the game tied until Elon went to bat in the seventh frame to make three more runs and sew up the game. Both teams made their share of the

errors, causing most of the runs to be made on this account. Although the game was considered a good one, there was no reason for the poor playing which showed clearly in spots. The ground was also responsible for part of them, and this added many thrills to the spectators.

Boles and Fuller fought it out. Last year, Boles was given the edge, but Fuller gained revenge by accounting for the game last Wednesday. If these two boys meet again, which is very prob-able, on Easter Monday, the spectators will more than likely be in for quite a bit of action and rivalry. The Quakers are out to win the Easter Monday game being the last game of the season

Nace is living up to the reputation he has gained thus far in the season by accounting for his share of the hits. He received four for four when they ing, encountered High Point at the beginning of the week, and gaining two for fres four in the last game with the Chris-

Amos Shelton and "Jack Rabbit" Ab-Amos Shelton and Jack Rabolt Arbitt starred for the Christians as Abbitt wielded out two nice hits with three times at the plate, and Shelton did excellent work behind the bat, which he has been doing consistently this year. Tilson again played a nice game as shortstop, aided by Phillips, Hines, and Graves. Lin White, for the first time, broke into the Guilford line-up, making good showing for himself in right

Barrow, the boy from Elon who scored the winning run in the previous mee ing of these two teams, again last Thursday afternoon won the game by ripping out a clean double, which secred

NON - HONOR ROLL STUDENTS CONSOLED

Consolation for those of us for the third quarter than for the previous semester is offered in the statement of Miss Era Lasley, registrar, that "the quarter grades are never as good as the semester grades, although very often there are some poorer grades for the semester than for the quarter. Both facts may be true because the professors have more on which to base the semester grades than they do

those of the quarter. Honors for scholarship for the past quarter go to Catherine Beittel, new Women's Student Government president, who was the only person to make a record of all A's. She was followed by three students who got all A's but one, Patricia Hopkins, Winfred Meibohm and Guy Thomas. Thirty-one made all A's and B's, while four were listed in the all B's section.

The opposite end of the scholar ship totalled 61, which when added to the 39 on the better section. makes a total of 100. This leaves 218 average students from Guilford's family of 318.

BOLES IS HURLER NATIONAL ASSOCIATION **MAKES NEW CAGE RULES**

As a result of the widespread criticism by coaches of the new rules of basketball made last year it was decided by the National Association of Basketball Coaches that the following five rules would

take effect next year.

1. An increase in the number of times out from four to five.

2. An optional use of four 10minute quarters instead of the usual 20-minute halves. Giving the players two minutes' rest between first and second and the third and fourth quarters.

3. An exemption of the outer half of the foul circle from provisions of the "three second" rule that a player not in possession of the ball in that territory may remain more than three se without penalty.

4. The prohibiting of substitu-tions immediately following a goal and before the ball is tossed into play from the end zone, unless a team has called time out.

5. The permission of the extension of the end margin of the court from two feet to four feet from the face of the back board.

CINDERMEN PREPARE FOR 1938 SEASON

Team Rapidly Rounding Into Shape for Coming Meets.

ALEXANDER LOOKS GOOD

The Quaker track team is rounding rapidly into shape and it looks as if Coach Shepard's cinderman are headed for another successful season, Although there are only three lettermen return-Alexander, Lentz, and Captain Meibohm, several non-letterman and freshmen are showing up well in prac-tice and should aid materially the team's chances this year. It must be remembered, however, that this season's schedule is a difficult one, and our boys will have to give superlative performances in order to outscore such cams as Wake Forest and Hampton-Sydney

QUAKES

You read for the last time the Quaker written by "Ken" Morris in the Guil ordian preceding this one. "Casey" a big hand for his excellen deserves a big hand for his excellent work during the past year, and your new editor hopes to uphold this prece-dent. I wish to state that all criticism or suggestions as to the handling of this page will be greatly appreciated by your correspondent, because after all this is the students' paper.

The tennis team met with success on their Florida trip by winning two and dosing one. We trust that Petrea's court game is as good as his courting (we've heard that Katie has a good backhand) Casey, we wonder if your choice of girls off-campus is as good as it is on; and how about that bottle of milk you won from the punch-board? All kid-ding aside, we're mighty proud of these five boys who wield the racquets for the old Alma Mater and are looking for-ward to a bright future for the team

From indications of the Elon games and the one with High Point, Guilford's baseball team is going to cause no little worry to the top-notchers in the con-ference, and with "Une" and Acree doing exceedingly well on the mound, we may be one of the "Big Boys" ourselves. We have been hearing that Guilford may not have the best team in the conference, but she certainly has he hardest fighting. You spectators emember that when the boys are losing and try your best to show them that you are behind them with all you can ossibly give
