GUILFORD'S HOME DEBUT IS TODAY

EQUIPMENT ADDED FOR VARIETY IN WOMEN'S SPORTS

W.A.A. Makes Extensive Plans For Coming Year's Activities.

WAA HANDBOOK SECURED

Tennis Matches Have Been Played; Hockey Games to Be Feature of Alumni Day.

The activities of the Woman's Athletic Association are in full swing, under the capable leadership of Miss Helen McColl, director of physical education for women, and Eunice Holoman, president of the Woman's A.A. More interest is being shown this year than ever before, and the coming program bids to be a very successful one.

Much equipment has been added, especially in the form of ping pong paddles, balls, nets, badminton rackets and birdies, and bows and arrows for archery. These items have already proven successful and will continue to furnish much opportunity for recreation and diversion.

There have been made three additions to the A. A. Council. These are Isabel Dunkhorst, manager of informal sports (badminton, deck tennis, ping pong), Kathleen Leslie, tennis manager, and Elizabeth Robertson, secretary and treasurer.

A new feature which will be of invaluable assistance to both freshmen and upperclassmen, is a W. A. A. Handbook. It is a small, paper-bound volume, done in crimson and grey, which contains the regulations and the constitution of the W. A. A. It also explains the selection of teams, and gives a sport schedule for the entire year. It is an excellent addition, and much credit is due Barbara Hamlin, chairman of the Handbook Committee.

Tournaments are being played off in both formal and informal sports, ping-pong, badminton, and tennis. Only the first round of the woman's singles and doubles has been played off, but the mixed doubles reached a successful conclusion last week, with Helen Wheeler and Howard Petrea the winners, and Jo Swift and Stokes Rawlins runners-up. This match proved interesting to a large number of spectators as well as players, and a more complete schedule of mixed doubles is being planned for the spring.

The hockey captains, Virginia Peters, freshman; Jennie Dixon Stout, sophomore; Lucy Gaunt, junior; Adelaide Feideldey, senior, and Patsy Wheeler, hockey manager, have taken charge of the arrangements for the Home-Coming Day game between the women's honorary homecoming day team and the women alumnae. This group is also in the midst of an inter-class hockey tournament; to date two games having been played off. These games are played three times a week, and are refereed by two senior Physical Education majors from W. C. U. N. C.

Isabel Dunkhorst, informal sports manager, is expending much energy

QUAKES

This afternoon we play our first home game of the season, against Milligan, an aggregation from our neighboring state of Tennessee. These boys have a good record, having scored a total of 155 points to their opponents' 91 in the 1937 season.

Our home team has showed a decided improvement over that of last season, and we are going to be out there to keep up this record against Milligan this afternoon.

Pat Shore of Lenoir-Rhyne was lucky to win that game last Friday night and if you don't believe it, ask him. Paul Lentz, injured in the first half, handicapped the Quakers tremendously on the offense with the loss of his running, passing, and booting. This Lentz has been given the reputation as one of the best kickers in the conference.

Students, we are proud of the support that you are giving our team this year and we only hope that this will continue throughout the season.

My remark in the previous issue of the Guilfordian concerning the William and Mary game, was not an overrating of the Quakers' strength, but, instead, an underrating of that of William and Mary's.

It is the duty of each section to prepare a sign or some object for the welcoming of the Alumni and the E. C. T. C. Pirates on Home-coming. This has been a tradition of many years. These signs should be in front of the sections by midnight November 4th. Come on, fellows, let's see who has the best idea.

- Fight team fight
- Fight team fight
- Fight team, fight team
- Fight team fight.

on a potential game room in the basement of Mary Hobbs hall, and it will soon be an activity center for ping-pong and similar informal games.

On November 12 all girls interested in hockey will make a trip to Duke University to take part in a Hockey Day. All colleges in North Carolina where hockey is played will be represented. The object is not competition, but is an effort to promote an interest in, and the playing of, better hockey. The W. A. A. hopes that a full team will be signed up to go by the 12th.

QUAKERS LOSE GAME TO LENOIR-RHYNE

Bears Push Over Score in Last Quarter to Nose Out Locals 6-0.

ACREE AND GRICE STAR

Friday night, October 21, the Lenoir-Rhyne Bears defeated the Guilford Quakers 6-0 at Hickory in a hard-fought contest. Guilford, the underdog, fought on even terms with their rivals until the fourth quarter, when Lenoir-Rhyne scored the lone touchdown.

The first half saw the Quakers driving deep into the Lenoir-Rhyne territory, only to be repulsed near the goal line. With Acree, Lentz, and Grice leading the drive, the Quakers drove to the Bears' two-yard line, only to be stopped on downs.

Lenoir-Rhyne scored the winning touchdown in the fourth period on a drive led by Sigmon and Quinn that carried the ball to the Quaker goal line, where Sigmon went over for the winning tally.

GUILFORD "Y" OFFICERS ATTEND STATE MEETING

(Continued from Page One)

conference were one hundred fifty delegates from eighteen different colleges. Both negro and white colleges were well represented in this group. The Chapel Hill meeting is recognized as one of the pioneer attempts of racial understanding in youth.

Sunday morning a business meeting was held at which the attention of the group was centered on the report of the Greensboro Intercollegiate Commission on Race Relations presented by Pete Moore. This Commission is one of the outstanding groups of its type in the south. Later in the morning Dr. Smith delivered an address on "The Christian Philosophy of Love;" in the afternoon he led a discussion on the same subject.

Much interest was evidenced on the campus regarding the accomplishments of this conference in the matter of improved race relationships. The executive committee of the state Y's will meet December 3 to consider further the possibilities of a state Interracial Y. W. C. A. - Y. M. C. A. Cabinet, and to make plans for the coming winter conference.

- Elon over Naval Apprentice.
- Appalachian over W. C. T. C.
- Duke over Carolina.
- N. C. State over V. P. I.
- Clemson over Wake Forest.
- Furman over Davidson.
- California over Oregon State.
- Cornell over Columbia.
- Princeton over Harvard.
- Holy Cross over Colgate.
- Alabama over Kentucky.
- Michigan over Illinois.
- Notre Dame over Army.
- Pitt. over Fordham.
- Rice over Auburn.
- L. S. U. over Tennessee.
- Tulane over Mississippi State.
- Georgia Tech over Vanderbilt.
- Dartmouth over Yale.

HARRIERS LOSE TO WILLIAM AND MARY

Meibohm Runs 3 1/2-Mile Course in 19.03 Minutes to Take First Place in Meet.

The Guilford cross-country team journeyed to historic Williamsburg on Friday, October 21, and lost a close meet to the Indians of William and Mary to the tune of 33 to 22. Although Captain Alvin Meibohm ran a beautiful race in nosing out Roller of William and Mary, the well balanced tribe of Indian braves annexed the next four positions. Lin White, running his first race, was second for the locals, and "Lucky Teeter" Moir zoomed in to beat out "Stev" Aiston, "Wimp" Meibohm, and "Rat" Pickett. Even in defeat our boys looked good, and should give the remaining teams on their schedule plenty of competition.

FOOTBALL TEAM FACES MILLIGAN THIS AFTERNOON

Hobbs Field to Be Setting of Premier Local Pigskin Array.

GAME STARTS AT 2:30 P. M.

Tennessee Squad Invades Quaker Campus for First Time; Has Good Record.

This afternoon the Guilford Quakers will oppose the Milligan football team on Hobbs Field for the first encounter of these teams. This is the first time that the local boys have entertained an aggregation from Tennessee.

The Quakers will likely see action again from Gilmer Boles and Paul Lentz. Boles, having sustained an ankle injury in the William and Mary encounter, is quickly recuperating and will take over his regular position at guard. Paul Lentz has also recuperated and will improve the Quaker chances for victory.

The loss of end, Buck Hines, is a great one; but Coach Smith has given the second string ends the twice over and will likely start Frank Fondren, Greensboro boy.

Milligan has an excellent record and therefore leaves Guilford as the underdog. They have thus far defeated Mars Hill, 31-0, a 27-0 win over Hiwassee. Maryville licked Milligan, 15-0, but was revenged the following week when Milligan tied Carson-Newman at 6-all.

The Guilford squad has been drilled thoroughly on passing; both offensive and defensive. Coach Smith's opinion is not at all optimistic but he believes that his boys will give the mountaineers a tough battle.

The probable line-up: for Guilford—ends, Fondren and Newlin; tackles, McDonald and Byrd; guards, Boles and Wilson; and Harry Nace at center. The backfield will be composed of Lentz, Acree, Chambers, and Grice.

According to a University of Denver survey, the average co-ed wears a size 14 dress.
