School Has Elections With More To Follow

Annual fall elections of student government and class officers have been held during the last month, but final results in all class elections have not been determined.

Elected last spring, Clark Wilson and Eddie Hirayabashi are president and vice-president, respectively, of the Men's Student Govern-

ment. Gene Terrell has been chosen secretary.

Dave Warren is representative to the Council for the Freshmen class, Brooks Hansard for the Sophomore class, Jack Wolf for the Senior class, and the day students are represented by Pete Miller.

The Dormitory representatives are: Joe Trollinger from Archdale and Jack Chatham from the New North, Gray Fulk from Old North,

Carl Erickson from Center, Gene Terrell from Old South, and Henry Pollack from New South, hold similar positions in Cox Hall.

The Freshman class officers are: David Phoenix, president; James Mackie, vice-president; and Martha Jane Rhodes, secretary. There is to be a revote for treasure between Paul McCallum and Walter Maulsbey, which will be held later.
