

Basketball Season Opens Against Strong White Oak Y.M.C.A.

The Guilford Cagers opened their 1946 basketball season last night in a tilt with the White Oak Y.M.C.A. at the latter's gym. Picking a strong team for their first opposition the Quakers hope to get in good shape in preparation for the tough inter-scholastic schedule ahead. The White Oak aggregation showed their power with a one sided victory over Draper to the tune of 58-35 last week, and should prove the starting testing strength of the school quintet.

Due to unavoidable circumstances the scheduled tilt which was to be played against the University of North Carolina on December 2 was canceled. However the cagers showed their pre-season form two weeks ago by eking out a 49-48 victory over Burtner Furniture of Greensboro in an unofficial scrimmage game. Standouts for the Quakers were "Bunk" Leonard who led the home-team scoring, and his brother Bill Leonard, who is a promising Freshman at center position.

Other men who turned in good jobs in last night's fracas were Brooks Hansard, center; Jimmy Mann, forward; Al Poggioli, guard; George Ralls, guard; Bill Byatt, guard; Wes Inman, guard; Dick Hall, forward; Jack Arzonico, guard; and Ben Weston, forward.

So far there are just two scheduled contests to be played off before the Christmas holidays, those being a return engagement against White Oak "Y" on December 13, and a home game with the McCrary Eagles on December 16.

After the re-opening of school in January the schedule thus far is as follows: January 9—Catawba there; January 14—Davidson there; January 27—Lenoir-Rhyne there; February 28—Appalachian there; February 1—McCrary there; February 6—Catawba here; February 8—Lenoir-Rhyne here; February 11—Appalachian here; February 13—High Point there; February 15—Elon there; February 18—W.C.T.C. here; February 20—Elon here; February 22—High Point here; February 24-25—North State Conference Tournament.

Japan and China Discussed By IRC

"Japan and the World Today" was the topic for discussion at the last meeting of the International Relations Club. Miss Alice Dixon who spent three years in Japan teaching at the Friends Girls School in Tokyo related her experiences and views of the present situation.

At the previous meeting, John Bradshaw and David Stafford led a discussion on "Thunder Over China." Both were stationed in China with the American Friends Service Committee during the war. They told the group of several of the external and internal troubles there. Among the points reviewed was the clash between Chiang-Ki-Shek's government and the Communists.

Veterans' Administration estimated the veteran population at nearly 17,900,000 last October 31, an increase of more than 150,000 over September 30.
