Rules Clarified For New Council: **Proposals Made**

Members of the WSG have been very busy revising the rules and clarifying them to present to the Faculty Counselling Committee. They will have them ready for the new Council when it takes office after spring vacation.

Joint meetings of the Men's and Women's Student Governments have resulted in the appointment of a committee to draw up regulations and procedures to be followed in using the honor system. It has been suggested that an honor board made up of students and faculty to take care of any infractions of the honor system. After a chapel program sponsored by both Councils, at which the honor system and proctor system were discussed, it was decided to continue with the honor system and to put forth definite efforts to make it work successfully. At a mass meeting of the women students, a proposal to create house councils at Mary Hobbs and Founders dorms was voted down. The house councils would have the power to give stated punishments for minor infractions of the rules, and take care of matters in the dormitory not related to the council. Founders Hall will have a House Council for its own convenience and unification.

It was decided to present a proposal ratifying the constitution to be crief to the council in the content of the crief in the crief in the content of the crief in the

Officers of Guilford College's newest organization, the Penguin Club, have announced that members of the novel group will sponsor a "strictly formal" dance on Saturday, March 13, in the college gymnasium. Dancing will be from 8:30 until 11:30 to the music of Maurice Purtill and his orchestra. orchestra.

Realizing that Guilford had never enjoyed a dance other than an informal or semi-formal than an informal or semi-formal affair, the group was organized for the express and sole purpose of sponsoring a formal dance in which all male guests will wear tuxedos or tails. Another step towards initiativeness is that the group has decided that this dance shall be without flowers. Women guests will not be admitted to the gymnasium with corsages. There will be absolutely no admission charge on the part of any individual. The dance will be financed by contributions by the active members of the club. However, any student who desires to become a charter member of the Penguin Club can still do so by contacting "Lefty" Ralls or Ed Skinner, president and secretary-treasurer respectively.

All indications point to one of the best dances ever staged at the college. Purtill's band has been steadily building up a reputation that has already reached New York and West coast music centers. Purtill, you will remember, was the ace drummer with Glenn Miller's great band before Miller entered the service. He has recorded many numbers with Miller and appeared in a featured role in the motion picture, "Sun Valley Serenade." ment: an 11 piece aggregation plus Purtill will bring his full band to Guifford for the evenings entertain a girl vocalist. Incidentally, musical standouts in his sweet-swing outfit include two former members of Bobby Sherwood's band and the former arranger for Tommy Dorsey's crew.

Members of the Dance Committee have also announced that any of the girls, on campus are welcome to invite any outside guest to accompany them to the affair. Plense remember that all guests must be registered with the Dean of Women before noon, March 13.

For the information of those who are without tuxedos, it is a comparatively easy job to rent them from any of the men's clothing stores in Greensboro. The price of renting will not be any more than the price of a ticket and corsage that you have bought for previous that the purpose of this dance is
