

Clowns Set Pace In Football Tourney

The Guilford Clowns qualified for the finals of the Guilford College Intramural Football Tournament by defeating a scrappy Old North club 47 to 37.

The tournament, which is organized on a double elimination basis, has attracted eight teams. Al Miller, intramural director, has scheduled two games each Tuesday and Thursday afternoons until it is completed.

In the opening round the Clowns won a close one from New North by a 19 to 12 score. Old North swamped Yankee Stadium 58 to 12 while Center beat Archdale 19-12 and the Dap Hops No. 2 defeated the Day Hops No. 1, 31 to 6. In the second round the Clowns walloped the Day Hops No. 2 by a 45 to 6 count while Old North whipped Center 47 to 19. Yankee Stadium won their first game by eliminating Archdale 38 to 13, and New North advanced when the Day Hop 1 forfeited to them.

Center Section knocked Yankee Stadium out of the running by a 37 to 6 score, while New North squeezed by the Day Hops 2, 13 to 7.

The concluding games will be played in the next two weeks when Center meets New North, and the winner tackles Old North for the right to play the Clowns for the championship.

In team scoring Old North has set a torrid pace by racking up 142 points in three contests. The Clowns are second with 111. The best defensive record posted has been by New North whose opponents have crossed their goal line for only 25 points.

Ed Skinner, a speedster from Old North, is showing the way in the individual scoring race with seven touchdowns and three extra points for a total of 45 points. Walt Simmons of the Clowns is in second place with 37.

'Violence Running Wild,' Says Houser

Rev. George Houser, secretary of the National Fellowship of Reconciliation, spoke before the Monday morning chapel session on "Non-Violence in a Progressive World." Rev. Houser told of the big problem in the world today of violence running wild.

The powers of non-cooperation, public opinion, and non-retaliation are the only way to stem this tide of violence. He gave many examples by which these powers were of more practical use than violence.

"The intelligent use of these powers is the only way in which we can gain victory in the world today." He ended by urging the students to heed these little used powers and thereby bring victory for their causes.
