

Coble, Early Lead Aid in Quakers Losing Close One

By AL CONNOR

On Saturday, November 12, the Quakers traveled to Salisbury to play the Indians of Catawba College. Catawba won 19-12.

The Indians scored early in the first period. A fumbled punt set the first touchdown on the Guilford 15-yard line. In three plays, Catawba scored. Johnny Coble carried the ball over from the one-foot line.

Catawba scored again in the second period with Coble again carrying for the touchdown.

In the third quarter Coble, who was a nemesis to Guilford all night, passed 11 yards to Hober Brewer for the third Catawba touchdown. Coble's extra point attempt was good.

Guilford scored its first six-point-er as time was running out in the second quarter. With 45 seconds left to play, Al Johns hit Chuck Whitcomb in the end zone from 22 yards out to culminate a 65-yard drive.

In the first period Guilford put together a 92-yard drive, which was highlighted by a 40-yard pass from Bill Teague to John Schopp. This

drive was stopped. However, Brewer intercepted Teague's pass to Whitcomb in the end zone and ran it out to the six-yard line.

In the third period the Quakers moved 85 yards from their own 7-yard line. This drive ended when Johns, fading back to pass, slipped on wet turf, giving Catawba possession on their own 29-yard line.

The Quakers' last score was the result of another 85-yard drive which started on their own 15. McCormick scored the touchdown after taking a seven-yard pass from Johns.

Brockman's team won from Andersons team to cop the girls' intramural hockey tournament. This win put the "Gussets" in first place over "The Mary Hobbers"; and the "Par-T-Girls" took third place.

After the tournament, these girls were chosen to represent Guilford at Woman's College: Walton, Stabler, Kiser, Hoops, Demos, Hockett, Jessup, Lee, Brockman, Neece, Hopkins, Leake, McFarland, Victorius, Gordon, Jardine, Toole, Gravitt, Flanders, Edgerton, Votaw, Anderson, Schumaker, Wilson, Nicholson, Peele, Smith, Scranton, Briles, Reid and Hayworth.

Two close games were won by W. C. on November 17 by scores of 2-1 and 1-0.

After the W. C. contests, a final all-campus team was selected, and this team travelled to Chapel Hill for a contest on November 22. The all-campus team consisted of Walton, Stabler, Kiser, Hoops, Jessup, Lee, Hopkins, Leake, Neece, Brockman, Victorius, Gordon and Jardine.

The field hockey, speedball and tennis classes are completed now, and attention will now be focussed on indoor classes in square dancing, volleyball and basketball.

Trophies!

Intramural basketball fans are in for the biggest basketball tournament in the college history, according to reports from Coach Teague's office. Potential managers and players are urged to watch the bulletin boards for announcements for the next few days. Official information from Coach Teague's office confirmed reports that full-sized trophies will be given to the winners and all-stars. This will be the award system, rather than the previous giving of certificates or medals.

Sportslants

... By BILL ODEN

EDITOR'S NOTE: Due to circumstances beyond his control, Jimmy Mann will not do SPORTSLANTS for a while. We hope you enjoy the column by Bill Oden.

With the football season ending yesterday, I have a chance to do something besides cleaning football shoes, carrying water, taking care of footballs, etc. Jimmy Mann, your regular writer, asked me to pinch-hit for him this time, and I foolishly accepted. If it had been anyone else I would have refused, but Mann doesn't write any better than I do; thus it won't be so embarrassing.

In the first place, I want to point out the fact that here at Guilford we were fortunate in having such a scrappy, hard-fighting grid team. Congratulations are in order to Coaches Teague, Cheek, and Lentz; and also to every member of the squad for a successful season.

Of the seniors whose graduation will be felt on next year's squad, Bob Yarborough, Wally Maultsby, Tut Sherrill, Reg Roberts, Bill Teague and Ben Baker, deserve special praise. These boys turned in a fine performance against Elon yesterday to wind up successful college careers.

Some of the boys, of course, will just discard their grid uniforms and go right down to the gym and start competing for berths on Coach Paul Lentz's basketball team. Beefy Wright, Al Johns, and Wally Maultsby are among this group.

Coach Lentz seems to be headed for a successful year also. If the Quakers progress as rapidly as they have been doing, this should be our year. Lentz has to date some 34 eager candidates who seem to be coming around faster than was expected. However, there are problems confronting him. One is that star guard Rick Ferrell will miss a couple of contests due to a foot operation. Jack Elkins, star pivot man of two years ago, will be out until after Christmas due to ineligibility.

They open the season against the McCrary Eagles here Tuesday night. The hope of the Quakers must rest heavily on high-scoring Dick Hall and Jase Ralls. J. T. Venable will start at center, with Mann and Osteen or Coward probably getting the other starting assignments.

The first conference tilt will be played against the Atlantic College Christians at Wilson next Friday.

And now we must resort to the commercial (Mann's orders). Voting for the Monogram Queen this year will be a little different than before. Any club or organization can make a nomination for Queen by depositing one dollar to a Monogram member, and is free to solicit votes for her. Voting will soon be in progress, and each vote will sink you to the tune

of five cents. With over 300 pretty girls around, this should be a great fight. The winner and other contestants will be honored at the Christmas dance as "Queen of the Christmas Season."

If you have a girl you wish to nominate but don't belong to any club or such organization, just get a couple of guys and form a club and raise a buck for the entrance fee and you're in!

I already have 65 cents saved up if a certain girl is nominated.

Here's hoping Mann can be back with you next time. Or would you rather have me? A letter to the editor might... I guess I'd better be going before I get myself a job.
