**Freshman Reception Declared Success**

Climaxing the events of Freshman Week at Guilford, the annual Freshman Reception was held Friday night, September 21, at 8 P. M. in the college gymnasium.

The affair was under the sponsorship of the Social Committee, headed by Bob Wall. As the new students entered the gymnasium, they were formally introduced to members of the faculty by their "big sisters" and "big brothers." Then dancing lasted until 11:30 P. **Maid of Cotton Contest Is Open**

Memphis, Tenn.—(Special)—The 1952 Maid of Cotton contest is open, the National Cotton Council has announced.

In all probability, the girl who will become King Cotton's fashion and good-will ambassadors on an exciting six-month tour will be a college student, if the 1952 contest runs true to form. Out of the thirteen Maids of Cotton to date, twelve were collegiennes or recent graduates at the time of their selection.

The search to find King Cotton's emissary covers the 18 states of the cotton-producing region. The contest is open to girls between the ages of 19-25, inclusive, who were born in a cotton state and have never been married. To be eligible, girls must be at least 5 feet, 5 inches tall.

Application forms are available from the National Cotton Council, P. O. Box 18, Memphis, Tenn. These forms must be completed and returned to contest headquarters, along with a head and shoulders photograph and a full length photograph. All entries must be post-marked before midnight December 1.

Twenty finalists will be selected to come to Memphis January 2-3 for personal interviews and a public appearance. Girls will be judged on the basis of beauty, background and personality. Although appearance is an important consideration, the competition is not a beauty contest in its usual sense. Other qualifications are considered of equal importance.

A seven-member judging committee will include six prominent cotton industry leaders with a nationally-known personality as chairman. The chairman of the judging committee will announce the 1952 Maid of Cotton at Ellis Auditorium in Memphis the evening of January 3.

Immediately after her selection, the 1952 Maid of Cotton will fly to New York City for a month's period of preparation before beginning her journey. She will have training in modeling, radio, and television. She will be fitted for a stunning cotton wardrobe created by approximately 30 of the nation's outstanding designers. Her year-round fashion collection will include a costume for every occasion in every imaginable cotton fabric. The Maid will wear her famous cottons throughout her thrilling tour to show cotton as a fashion fabric for every season of the year.

The itinerary of the 1952 tour has not yet been announced, but it is expected to follow closely the pattern of previous years. Brown-eyed Jeannine Holland, a senior at Texas State College for Women when she was chosen 1951 Maid of Cotton, made the longest journey to date for King Cotton. She traveled more than 64,000 miles, visiting more than 45 cities in 10 nations. Her action-packed tour carried her across the United States and to France, Cuba, Panama, Peru, Colombia, Chile, Argentina, Uruguay, and Brazil.

In each city she visits, the Cotton Maid calls on mayors and civic officials to convey goodwill greetings. She also appears as featured model in all-cotton fashion shows.

An official tour manager and chaperone will travel with the Maid of Cotton wherever she goes. Sponsors of the Maid of Cotton are the National Cotton Council, the Memphis Cotton Carnival, and the Cotton Exchanges of Memphis, New York, and New Orleans.
