Quakers Bow To Terriers

On Saturday night, October 2, the Guilford College Quakers took the field against the Wofford College Terriers at Spartanburg, S. C. When the final gun was sounded the score read Wofford 34, Guilford 20.

In this game the Quakers jumped off to a quick 6-0 lead, when Bill Gibson went over from the 1-yard line. Midway through the first period Wofford scored and at this point they led 7 to 6. The second quarter was scoreless and at the half the Quakers trailed 7 to 6.

At the start of the second half Howard Haworth took the kickoff and rambled 95 yards down the left sidelines to put us ahead 13 to 7. At this point the Terriers' attack started clicking and at the end of the third quarter they led 14 to 13. In the fourth quarter the Terriers scored 20 points while the Quakers hit for 7. Our last touchdown came on a beautiful pass from Van Cuthrel to Bob Cornish. The final score once again 34 to 20—Wofford.

INTRAMURALS

By "Jake"

As we go to press for the first time this season we find that the intramural program is well under way with football being the first sport on the schedule.

Yankee Stadium will again be heavy favorites to retain their crown, having won it three years in a row.

On Tuesday afternoon, September 23th the starting gun sounded with four teams competing in the first day's activities. Archdale beat Y. S. 33 to 14, and New North beat Center 19-14. On Wednesday afternoon the Day-Hops beat Center in a mild upset which shook the foundation of Center Section. On Thursday Y. S. came back to beat Old North-South and New North rolled along by beating the Day-Hops.

The first week's activities lead me to believe that the race this year is going to be very close. My predictions for the final order of finish are as follows:

- 1 Yankee Stadium
- 2 New North
- 3 Archdale
- 4 Day-Hops
- 5 Old North-South
- 6 Center

Let's all get out there and support the intramural program, and my hat will be off to any team that can dethrone the Stadium; however, at this time it appears as though it will be a man-sized job. See ya next week with more news from the sporting world.

W. A. A. News

By Carolyn Pipkin

Girls' Intramurals, under the sponsorship of the Women's Athletic Association, began September 29 with the first field hockey practice. Louise Moore, field hockey chairman, worked with approximately twenty-five girls in the first practice. The freshman class shows promise of making some good players, although many of them have never played before.

After a few practice sessions, games will begin and will continue until the champion team has been determined.

The other fall tournament, tennis, is not underway yet. Tennis Chairman Kat Shumaker has posted sign-up sheets for all persons interested in singles, doubles, and mixed doubles, and she will have the pairings posted soon. All are urged to play off their matches and post the results before each deadline.

All women students interested in either of these sports are urged to participate in intramurals as the purpose of such game is to foster fair play and good sportsmanship.

You don't have to have had experience to play. Intramurals is the best way to learn a new game.

Points, the system on which the W. A. A. awards are based, are earned by playing in these games.

Let's all play for the W. A. A.!
