### Choir Plans Concerts And Spring Tour

The Guilford College A Capella Choir is in process of completing plans for their spring tour, and has already lined up a number of pre-tour concerts.

The Choir has presented two of these concerts thus far: one at Snow Camp, N. C., on January 30; and the other on February 6 at Center Friends' Meeting near High Point. Included in the schedule between now and the beginning of the spring tour will be concerts at: Joyner Memorial Methodist Church, Greensboro, at 3:30 p.m., February 13; Bethel African Methodist Church, Ragan Street, Greensboro, at 7:30 p.m., February 20; and Asheboro Friends' Meeting, Asheboro, at 7:30 p.m. on March 6.

The spring tour this year will begin on March 19 and run until March 29. The tour runs concurrently with Spring Vacation. This year's trip will take the Choir to Woodland, N. C.; Manning, S. C.; Panama City, Fla.; St. Petersburg, Fla.; Barnesville, Ga.; Monroe, N. C.; Lincolnton, N. C., and home. There will be other concert engagements in the Georgia-Florida area, but definite commitments have not yet been secured.

The annual Home Concert will be presented on April 1.

### Headline Story

(ACP) — Contact, monthly publication of Belmont Abbey (N. C.) College, headlines a story on dormitory menus: "What Food These Morsels Be."

### Four Scholarships Established

A gift of \$28,000 has just been received from Major Elsa C. Howard (Retired) of New York City for establishing a permanent endowment fund, the annual income to provide four \$250 scholarships at Guilford College. These awards are to be made to able and worthy students who would not otherwise be able to finance the entire year of college expenses. Both men and women are eligible. The intent is "to encourage young men and women of determination and high purpose to prepare themselves more fully and adequately to live as effective American citizens and valuable Christians."

### New Nurse Joins Staff

Miss Patsy Carroll, of Winston-Salem, N. C., has recently joined the staff as the College nurse.

Miss Carroll is no stranger to our campus, for she was a student here in 1950-51. She then enrolled in the City Memorial Hospital School of Nursing in Winston-Salem, and graduated in September, 1954. She received her R. N. in October.

While in training, she received the Florence Nightengale Lamp for scholastic achievement, and is a member of the American Red Cross Nursing Service.

Miss Carroll is working toward a B.S. while here at the College. Her ambition is to go into Nursing Education.

### Grad Meets Untimely Death

Miss Ann Yarrow, a 1953 graduate of Guilford College, was found murdered early Sunday morning in a New York City apartment. She was living alone in the apartment of a friend when she was attacked late Saturday night or early Sunday morning by an unknown assailant. Police have not been able to determine why or by whom the crime was committed. Miss Yarrow, whose home was in Flushing, N. Y., was doing graduate work at New York University.

Miss Yarrow was an English major here, and completed all academic requirements in three and one-half years. She left in January, 1953, at the end of the first semester, and returned to graduate with her class in June of that year. While a student here, Ann was on the Women's Student Government, a member of the Scholarship Society, a College Marshall, and an Honor Roll student. She resided in Mary Hobbs Hall.

The campus was saddened by the news, and expressed regret at the untimely death of one of its alumna.

### A. & T. Choir Concert

The A. & T. College Choir will present a program in the Meeting House at 8:00 p. m. tonight. There will be a reception in Founders Hall immediately following the concert. All are invited to attend.

Music in the style of Clyde Watson and his orchestra will be featured Saturday night at the annual Valentine Dance, sponsored by the Social Committee. This admission free, semi-formal, no-flowers affair will last from 8:30 to 11:30. Refreshments and decorations in the St. Valentine mood will also add to the lively atmosphere. Funds for this dance and other Social Committee functions are derived from the student activities fee. This dance is just one of the fruits of a growing student desire to make campus social life more lively.

Students are reminded to register off-campus guests at the Dean's Office as soon as possible. Decorations for the dance will be put up Friday night and Saturday, and assistance from the student body would be greatly appreciated.
